Thread: [Ardamax Keylogger HELP ME PLEASE](#)

PPlobi - November 22, 2014, 11:47 am

Hi im new here can someone please help me
I downloaded Ardamax Keylogger 4,3,1 keylogger

I need the registration key for full acces to enable remote monitoring
Im new to this can someone please expain or send me one?

Thank you and sorry for i guess a noob question

I am willing to send 100,- eu via western union if someone send me a working one

I'll help you, Hit me up with your skype.

SmexyHackeR - November 22, 2014, 3:08 pm

il help you I do keylogging services im known for this add Skype JibJob10

PPlobi - November 22, 2014, 4:07 pm

i dont have skype cant we just mail?

Smexy do you do te service ore can you provide a keylogger?

Cheriem you have one for remote acces not detectable and easy to use?

i can send you a email whats your email? mines SmexyTankEU@outlook.com and are you willing to pay?

PPlobi - November 22, 2014, 4:51 pm

i am willing to pay but it hase to be good quality email is manningjoost@gmail.com

PPlobi - November 24, 2014, 2:55 pm

that smexy guy was a scammer i think his acount seems to be closed

Glad i did not pay him anything
