Robust - November 22, 2014, 2:15 pm

I need a banner for HackerCraft.

Colours: Purple and Green are our main colours

Text needed:

HackerCraft

IP: play.hackercraft.net

Factions | mcMMO | Auctions | MobArena | PvP

Feel free to get rid of Auctions and MobArena if lack of space. Thanks.

Image size of 468x60 pixels

Additional GFX to assist (may need resize): <http://i5.minus.com/iu4bbd4gaNpAl.jpg>

Vextoray - November 22, 2014, 3:50 pm

I can totally do this. Here is my thread that relates to GFX with MC banners.

<https://hackforums.net/showthread.php?tid=4548588>

Also, will there be payment? ?

zetza - November 22, 2014, 6:43 pm

Sounds like a cool project, do you have a budget for it :)

Robust - November 23, 2014, 2:39 am

I dunno. \$10-15 I'd guess for this task.

Crypto - November 23, 2014, 11:29 am

I can do this man, I'm currently open for orders.

Add me on Skype to talk about details & pricing.
