Thread: [\[\\$25 RuneScape Card\] All Members Can Enter Contest. \[\\$25 RuneScape Card\]](#)

NoodleBot™ - November 22, 2014, 8:35 pm

Had this for a long time, and since when I had purchased it but now there are bonds and stuff available.

So, here we go, post away and enter the contest. 1 post per member, and I will declare the winner and contest finished when we reach 40 posts.

Will use random.org for the final result number.

Good luck, no form to fill out, no PM'ing, no bullshit. Just post and enter.

Lowered the end count to 40 posts.

The winner today is poster #9/40

Announcing the winner now, one second editing previous posts.

The winner today is poster #9/40

I will contact you and deliver the code via PM.

Thanks everyone, if I have anything else up for grabs soon and hopefully I will I will post it here. It's hard to do these with bills and school taking a large chunk financially. However this was a card I had sitting around for 9 months lol.

Damn, so close. I would have loved to win, but congrats Wireframe.

NoodleBot™ - November 24, 2014, 12:03 pm

If it was possible to split it up somehow I would have liked to do that so everyone not only gets a chance but gets a reward too.
