I was working on some other stuff, just got into it for about a half hour:

Made \$25 AGC

Just made another \$25 AGC - Same dude

Just tripple dipped the same guy.. another \$25 AGC

It was 5x dipped although 2 of them was replacements.. still got \$75 out of one dude.

Congratulation OP. I will definitely try ewhoring if I will need money. I never did it, but it looks profitable and not so hard. Sounds perfect when you need money.
