Thread: [Chase- on scamming spree and admitting to scamming\[UID=1976077\]](#)

Smartloser - November 25, 2014, 11:52 am

Hi there. Chase- recently scammed 4 members of HackForums because he was, and I quote "Scammed on hackforums twice and poor". He admitted on scamming me in PM, you can see that here:

This user brags on how much money he makes yet he says he's poor LMFAO:

When I replied to his thread, he closed it LMFAO.

This user keeps on using hackforums and ignores PMs, asking for ewhore packs, etc.

If I forward this email to a staff member, can I get him banned?

He's a fucking asshole and i recommend to NOT DEAL WITH HIM. I'll be opening a report shortly, just didn't have the time until now.

Regards,
Smartloser

Can confirm that the user is a scammer

Many forumers have already made a " report "

And I think it all started cause he got scammed (
