Thread: [\[Everyone\] Giving away 250 Graffiti Sticker Pack - Global Shipping WINNER!!!](#)

Update - November 25, 2014, 9:39 pm

Hey everyone, My name is Draenor, I've been into graffiti art since about 6th grade, started out really bad as most people do when they start something. Its been about 6 years and I feel I've gotten pretty decent, so I decided I would do a graffiti sticker giveaway. These stickers consist of my Handmade stickers of my tags, characters and throwies. I don't really have much of a portfolio to show as a preview, but I've been trading stickers with lots of people in the sticker game and so far they like them. I don't know when Ill choose the winner but it shouldn't be too long from now. Pack consists of 250 Handmade high quality stickers.

Winner has been chosen! Will be starting another one of these soon!
Winner: Snaktheripper
