Thread: [=== > COMPILATION OF THE BEST MONEY MAKING TUTORIALS ON HACKFORUMS \[FREE\]](#)

sonex - November 26, 2014, 4:25 pm

This thread was created 2 days ago, that's only 48h ago.

In addition to that thread, in the past 2 days there were 18 tutorials posted, all on thread no "pm me to get it bullshit". We've witnessed all sort of tutorials, from motivational to specific methods to make money, heck even things we never thought would work out. So now I want to thank each and everyone one of you one by one publicly, so that you know there's someone out there who appreciate your work.

You have to realize many people will check your threads but will never say thanks, do not let them stop you from sharing and making this section one of the best on HF!

Let's start...

Thank you [Puppeteer](#) for your awesome motivational threads called

[\[TUTORIAL\] The mental setup](#)

[\[TUTORIAL\] The relevance of presentation](#)

Thank you [RootBite](#) for your

[\[TUTORIAL \] EARN MONEY PLAYING A VIDEO GAME](#)

Thank you [Limited Edition](#) for both of your threads called

[Square Business Theory - The Reason Why You Will NEVER Succeed And How To Fix It!](#)

Thank you [Reinfection](#) for reminding us on Hostgator Affiliate Programs with your thread called

And last but not the least thanks goes to [Azraelstear](#) for two of his threads called

[Affiliate marketing - JUST FEW TIPS](#)

Thank you [Trust](#) for your awesome GPT guide called

[\[TUTORIAL\] Trust's Ultimate GPT Site Guide](#)

Thank you [veezon](#) for your motivational threads called

[The greatest trick that the devil ever pulled...](#)

[Entrepreneur Weekly - Edition #1 - The Online Gold Mines of 2015](#)

[What is stopping you?](#)

Thank you [?yl?r ?h? ?r??tor](#) for your thread on making money with iDevice

[\[FREE\] Guide to make cash on your jailbroken iDevice!](#)

Thank you [camwhyhy](#) for your great AWM tutorial called

And at the very end you can check both of my tutorials called

[\[SPECIALISTS \] STOP WASTING TIME - Money Making Methods NOT To Use! <> IMPORTANT!](#)

[\[SPECIALISTS \] How To Start Affiliate Marketing Through Bing Ads<>No Investment](#)

So far there's only one help desk opened in this section, I play on changing that as well so any questions you may have about above tutorials, please either post [HERE](#).

Or in the thread where you read the tutorial, please DO NOT OPEN NEW THREADS for questions, rather let's keep this place clean and ready for everyone to atleast get a sense how money making works.

I'm counting on anyones help to keep this section clean, if you see anyone violating new rules or requesting "pm to get the method", kindly let me know and I'll deal with it ASAP. Thank you once again and I hope we'll see even more tutorials in the future, so far so good. Thank you.

Why you need Skype for that? Also Sonex isn't some godlike creature that can reply to every single question so asking publicly would bring more thoughts from various people with various skills, knowledge and experience.

I'll PM you my skype. I'm sure you can still post a topic in the MT forum and ask questions, use the search feature at the top of the site to search for some answers before you end up asking questions that have been answered a million times over.
