Ang?I - November 29, 2014, 12:51 pm

D-Frag! is definitely up there for me when it comes to comedy. Same with Noucome.

Nine - November 29, 2014, 1:39 pm

The Devil is a Part-Timer!, Magi and Is This a Zombie? would probably have to be the funniest anime shows I've watched so far.

PhoEtia - November 29, 2014, 1:42 pm

Well, it was KissXsis it's funny. :D

11ash1 - November 29, 2014, 1:50 pm

One of the funniest anime has got to be Hataraku Maou-sama!

I agree, The Devil is a Part-Timer! is amazing and so funny, I always enjoy watching it.

420 Blaze It - November 29, 2014, 11:25 pm

I have to say Devil is a Part Timer or actually Kiss X Sis :D

Korean™ - November 29, 2014, 11:29 pm

Slice of life animes like Nichijou and Lucky star make me laugh.

Sadly, I don't know a lot of animes that are similar to those two

I won't try. I'll search when I have more time.

Chips Ahoy McCoy - November 29, 2014, 11:55 pm

The Pet Girl of Sakurasou is probably the funniest one i've seen.

Refute - November 30, 2014, 12:08 am

Nyarko is probably the funniest anime I've watched. Laughed all the time.

Mr Fox - November 30, 2014, 3:11 am

I enjoyed "acchi kocchi" alot :3 slow humor is best humor.

Buffy Summers - November 30, 2014, 9:45 am

Nichijou and Jellyfish Princess are both hilarious!

The only anime where I had a real laugh was Hajime no Ippo.

Ormr - November 30, 2014, 11:38 am

The dub for Ghost Stories, that's some real high quality stuff.

Duyere - November 30, 2014, 11:38 am

This isn't the funniest I've seen, but One Piece is definitely funny. Basically every other scene is a goofy/funny moment between main characters/side characters.

True. Nichijou is truly hilarious and beats the Devil is a Part-Timer in a nutshell. DPT is alright at best, but Nichijou's spontaneous comedic value is at levels so high that no other anime can possibly top it.

This thread is a low-key rec thread.

Although you can figure this out by MAL, the first season is the one with 200+ episodes and is called Gintama. Without the apostrophe or the degree thing. I think none of them actually had over 200 episodes so just look for that.

I'm seriously starving to watch the 2015 one but I just need to watch by order. You won't get to know the characters well unless you do so.

Such a great show.
Still vouch for this, have yet to see a funnier anime ?

One Punch Man of course it's one of the best funny animes

Esdese - January 5, 2021, 5:16 pm

With an extra 4.5 years of wisdom, the funniest anime I've seen is now Setokai Yokonidomo

Good to see you around Esdese.

Seems I may have replied to this thread a long while ago as well, but off the top of my head:

-Prison School (watched this in the English dub and with friends years back, we had a blast at how ridiculous it was, manga ended up being a dragged-out disappointment for an ending so you get most of the good bits from the anime)

-One Punch Man

-Sakigake!! Cromartie Koukou (Cromartie High School)

-Hataraku Maou-sama! (Devil is a Part Timer)

-Bastard!!: Ankoku no Hakaishin (Dub > Sub for this one)

My #1 would be Hinamatsuri or Nichijou followed by Gintama, Asobi Asobase, Grand Blue, Kuuchuu Buranko, Konosuba, and Mob Psycho 100,

One punch guy is just great comedy, I think everyone should watch the first season, even though if you're not an anime fan. That got me into anime, did watch some before though but I've been watching more because of that. I thought every anime was just plain serious.

Other anime I've been watching is PingPong The Animation.

gravity_0 - April 22, 2022, 5:31 pm

For me it's Watamote, really funny cringe anime. Also the manga is good as well which is even funnier.
