Knee High Socks Appreciation Club

Who we are?

We are the The Knee High Socks Appreciation Club. We live to solely appreciate the material that caresses and warms the feet/legs of women and girls. We are just normal people with the same interests and beliefs, understanding the greatness of knee high socks. We strive to protect the bearers of the socks themselves as well as appreciate them from afar. Our interests bind us together, we shall preach and spread the word of the greatness that is... Knee High Socks.

What do we do?

We shall share images of knee high socks being flaunted and worn, appreciating them. We can engage in many different topics ranging from the favorite colors, designs, lengths etc that we prefer.
