Hey! I would be interested in getting a vouch copy. I don't see any reviews or proof of gaining money on your thread yet.

Thanks!

Look guys, there's already a vouch, stop asking OP.

eXceptional - December 2, 2014, 5:44 pm

Very nice E-Book. I read the whole book and it is a good method OP Provided. He gave me a vouch copy and trust me the E-Book is really awesome. I would want you guys to buy this E-Book. OP did not mention that the method is about E-Whoring and there is no investment to make.

Trust me guys you will earn alot this way. More than 5\$ if i would be doing it then i would have earned about 100-200\$ a day. Unfortunately i dont have a Jailbroken device.

OP should mention the requirements before people buy it. Some people may not have the requirements you mentioned in your book.

You can make as much revenue as you want. The only thing that can stop you is the amount of views you have on your Snapchat story.

If anybody has any other questions please post them here and let me know.

Just made a couple sales. If anybody is interested please let me know.

Is still any vouch copy left? I would love to have one!

Tekashi69 - December 10, 2014, 12:47 pm

When will I see the earnings coming? Like, 1 day, 2 days, 1 week? Don't tell me it's based on how much views I got, let's say I get 1k views per snap...

Looking forward to buy it if the earnings come fast!

When I did it and I had 1k views I got earnings that same day. You will usually always get earnings as long as you have a lot of views, but you will get more money and faster the more views you have.

On 1k in one day, you will probably only make around \$3. It could be more, or it could be less. Just depends.
