Not entirely sure, but I believe this thread should probably be in this category:
hackforums.net/forumdisplay.php?fid=103 (sorry can't post links yet)

On a side note, thanks for this share. :)

On a side note, thanks for this share. :)Enjoy! And yes I did just realise that I should have put it their but I cant do anything now.

Did not realise it said "For help and tutorials on SQL injection attacks or other code injection techniques enter this forum."

How bout using your brain - December 2, 2014, 1:24 pm

got 27/500 vulnerable sites with these dorks on a quick scan.

They are quite fine, thanks ?
