Thread: [\[\\$30 SIGNUP BONUS\]Make \\$65 in LESS than 30 Minutes\[GUARANTEED\]\[PROOF\]](#)

Hello, today I will be showing you how to make \$65 in less than 30 minutes. This is a straight-forward guide and any questions you have can and will be answered via a reply here or PM. Now onto the method!

First, you will need to create an account on [Mind Sumo](#). NOTE: IN ORDER TO MAKE AN ACCOUNT YOU MUST HAVE A .EDU EMAIL! This website has major companies such as Marriott International, Diebold, etc. post problems they have, and you post solutions to fix these problems. Now I know it sounds hard and going to take forever, but no worries I will show you how to make this painless. Here is an example of how you should fill out the registration form:

You can optionally use the promo code "RICH" you will receive \$5. After you MUST verify your account by just going to your email and clicking the link they send you.

After using your promo code you're already up to \$35! Next thing you will want to do is complete at least 80% of your profile. You can make this up if you'd like as you can set your settings to private and no one see them. This will accumulate another \$5.

Now that you're up to \$40 I'm sure you're feeling pretty good, but we still have more to make! Next thing you'll want to do is solve a challenge. This is relatively easy as you don't necessarily have to create a great solution. Simply read the challenge, sketch a quick pic of whatever comes off the top of your head and try to elaborate on it. Optionally you can really try and create a good solution. Doing so can give you an additional \$50 on top of the \$50-\$500 you can win if chosen; which you have pretty good odds at doing. According to their website you have a 25% chance at winning! Create four solutions and you're almost guaranteed \$100! Just think outside the box and let your imagination flow!

After following these steps you will have AT LEAST \$65! If you would like to learn how to receive a free t-shirt and sunglasses PM me and I'll show you how. I hope you enjoyed my guide, and if you have any questions, like i said, just post here or PM me!

Seriously? 1 more thread about this and I'll junk them all. Do not post your referral link and do not re-post the same "method" to make yourself money. This is rather annoying, there were several threads exactly like this one past 2 days, at least alter the wording.
