Contact me for 50 Free-Votes

Hey guys, i am not really sure if theres any demand on Hackforums, but ive been selling Votes for almost every Topsite on other Forums and through Skype already. Depending on the Demand on Hackforums a Thread design may follow. A Website with a Custom Userpanel is currently in progress.

Votes will increase the votes Count of your Server or Site and Rank it at the top on topsites directory. so, it will bring more visitors and traffic to your server from topsite directory which turns into more Players and ofcourse revenue.
