Selling 5 Advertising spots (Social Media & Banner Advertising Combined)

What Is Included

All of the following advertisement options will be included below. Each advertisement package will last for 1 month.

Website Advertising

- 1 Banner ad 720x90 pixel live for 1 month on home page for everyone to see (Banner is also shown in game center well members are playing games and all pages throughout the community)
- 1 Text ad in the friends section of the community providing a direct link for traffic and seo. (Stays live forever)
- 1 Mention a day in the live chat to all the members and guests visiting the site to help promote to all the live current members

Social Media Advertising

- Daily Tweets, send us 4 different tweets and we will tweet one every 3 hours to 7.2k+ followers on twitter for one month (that is 8 tweets a day for 30 days)
- We Will make posts on reddit once a week for one month to direct traffic to your site using our reddit account
- Will make posts to our 2.3k followers on facebook every 3 days for one month to help drive traffic to your site and help with seo
- Will make posts on our Google+ account every 3 days for one month to help with traffic and seo.

How Much

- The price is 0.2 BTC for a 1 month package
- If a gambling site or any other site wants to pay 1 BTC I will give them my pinned tweet on twitter as well and restrict all other competition / gambling sites from advertising. This will also buy all 5 banner slots meaning only your banner will be shown.

Our Website & Social Networks [/center]

Here is a photo from my Cloudflare Pro account showing traffic for one day yesterday Dec 3rd, we are ranked in the top two hundred thousand domains in the world. Our community has active game competitions weekly where we pay members in Dogecoin, Bitcoin and Litecoin and is unique in the way we are the only crypto currency community with a live chat to greet new members and have a game section. We now have over 1000 members and climbing.
