Hi there guys almost everyone has a smart phone every wanted to make some extra CA\$H with your smart phone?

So i will be showing you today how to make money from your smart phone using apps.

<http://perk.com/>

Whats perk, perk is a company where you can earn points from doing tasks such as surfing the web and many more? what can you do with these points?

you can cash in these points for gift cards or PP money.

Well how can we use Perk to make money with our smart phones? Perk has an app called Perk Tv this app runs ads and for longer you let it run the more points you get where you can exchange for Papal money!
