Mr. Money™ - December 5, 2014, 5:25 pm

Not for sale anymore sales are closed!

Ab\$olute Money - December 5, 2014, 11:22 pm

Looks interesting and I'm all about autopilot methods :).

Are you getting reviews?

DamienVC - December 5, 2014, 11:58 pm

PickLock Plaza, Leak Plug, Megan's Cashing Guide, RATs Express, InsaneVote, Item Manipulator v1, Get Hot Girls on your RAT, One more \$8 monetizing eBook, New Beginner Spreading Guide, Money Digger, another spreading guide, 150 euros in 4 days, and now Money Fantasy?

You release a lot of eBooks out there, buddy.

Mr. Money™ - December 6, 2014, 5:11 am

(Dec 6, 2014 12:58 AM)DamienVC Wrote: [\[CITE\]](#) PickLock Plaza, Leak Plug, Megan's Cashing Guide, RATs Express, InsaneVote, Item Manipulator v1, Get Hot Girls on your RAT, One more \$8 monetizing eBook, New Beginner Spreading Guide, Money Digger, another spreading guide, 150 euros in 4 days, and now Money Fantasy?

You release a lot of eBooks out there, buddy.
Well

Picklock Plaza = out of the market.
why? Because i am going to focus on Monetizing methods only.

Leak Plug = Out of the market
why? I decided to do something back for the community and give it away for free.

Item Manipulator = Out of the market
why? It was a blackhat method and this is against the hackforums rules.

Get hot girls on your rat = Out of the market
Why? i was selling those ebooks with "FeaturedBMX" long time ago and i am not doing any business with him anymore so.

New Beginner spreading Guide = Out of the market
why? Same story as (get hot girls on your rat)

Money Digger = out of the market.
Why? I had to do some improvements and then i thought why not just make a new ebook much better and much more details.

Another spreading guide = out of the market

why? I sold resale rights to the member "Ty"
and removed my own thread.

The \$8 money make ebook u were telling about. = out of the market.
why? Because i included it later within a package as extra method so i was not ripping people off
and just closed the sales.

150 euro's in 4 days = out of the market
why? It got leaked and if i sell methods i want them to be for the customers only i go for Quality and
if the ebook got leaked the Quality drops.

Money Fantasy = On the market

Why? Because after 150 euro's in one day got leaked i decided to make a killer ebook with lots of
information and updates this is something total different with the other ebook as this goes straight
into monetizing this is not a method about making 500s a day no you can make with this method
around 100+ a day and this is a proven amount as you see the proof. And this ebook is in no way
afflicted with the old insane revenue ebook this is something total new. and written from scratch.

Conclusion = I only got 1 ebook on the market.

Why? I want to focus on only one product an ofcourse you can list some of my ebooks but most of
the beooks you wrote down are from like 1 year ago.

I hope i informed you enough with this information

Kind Regards. Reddington

Tyween - December 6, 2014, 5:25 am

I got a vouch copy and I can say method is very promising and can make you a lot of money. :)

Ab\$olute Money - December 6, 2014, 7:41 am

Can you make this a little more detailed?

Braduz - December 6, 2014, 8:23 am

Hi, After getting an vouch copy from Reddington i promised i would review it and here it is:

Quality 10/10: This is awesome, I really like it well.

Originality 7/10: I've seen this method before, but not as detailed as Reddingtons work.

Support: 10/10 He helps when help is needed.

Grammer: 10/10: My grammer sucks hard but i've checked every single edge.

I might upload an earnings proof later this week.

-braduz.

Applejuices - December 6, 2014, 10:37 am

I've seen a lot of ebooks from OP and must say they're high quality!

?Fazzer - December 6, 2014, 1:32 pm

Vouch for my friend Reddington™, He knows what he is doing and have done many deals with him :).

GLWS and hope good results ;).

Gorbachev - December 7, 2014, 6:55 am

I would like to see it before I buy it. But I might buy it

McLovin' - December 7, 2014, 6:59 am

Vouch for ma boi Red. Taught me extremely HQ methods of earning online consistently. His methods will no doubt teach you a lot.

DamienVC - December 7, 2014, 7:38 am

I must say that all of your eBooks were high quality. I noticed that they have HQ thread designs, as well as the generous fact that you given those eBooks out for free later on, as well as included it in future methods so that people don't get ripped off. I've seen a lot of eBooks from you and just compiled a fast list. I guess so that they are HQ indeed

Vouch for Reddington, HQ eBook seller.

Mr. Money™ - December 7, 2014, 12:01 pm

Limited Edition - December 8, 2014, 6:14 pm

Review

Grammar 9/10

I noticed 1 grammar mistake so I can't give it full marks. Reddington's first language is not english but its still better than most other ebooks I have read lol.

Content: 9/10

The eBook is very motivational, after reading it made me want to get right to it and start setting up to earn some \$'s.

Originality: 8/10

I personally know a similar method but I never thought to do it like this. I don't think Reddington mentioned but its pretty much semi-auto-pilot so that's really caught my attention.

Layout: 10/10

Very well designed. Its very easy to read and easy to understand, full marks here for the layout.

Overall: 9/10

Like I already mentioned, the method included is semi-auto-pilot although there is some work you have to do to get it to that level. His earnings proof alone proves how profitable this method can be. Its literally something you can set up over night, maybe not in 1 night but the more work you do the more you'll earn. Once you get to a certain point you can just stop and let the earnings flow although I personally wouldn't stop. Just 10 mins per day could help you increase your earnings.

Personal message

I strongly advise people to buy this method.

Claw? - December 8, 2014, 6:22 pm

Legit. Vouch, works great. Got me great rewards.

Well you can still accept \$ lol you can just set euro as primary and set \$ as secondary that way you can accept USD

DaChosenOne - December 10, 2014, 6:10 am

My Honest Review

Grammar: 9.5/10

It's completely understandable with very few mistakes which won't matter at all.

Content: 9/10

The e-book is so great and gives you huge motive to start doing what's said there and for sure will make money using it

Originality: 8.5/10

I've heard many methods but this is amazing and you will find creative things to do and defiantly make it work and earn though it.

Layout: 10/10

Very well designed and so easy to understand.

Overall: 9.5/10

It's semi auto-pilot method but needs some work in the beginning to make it work, after a day or two you will earn a lot and by time you will earn hundreds of dollars as you should already have everything working great by that time.

Personal Opinion

I suggest you buy it, will defiantly make you rich.

TheLegendaryBeast - December 10, 2014, 7:17 am

Soper - December 20, 2014, 3:29 pm

Very bad eBook.

OP doesn't provide support, grammar is terrible. Definitely wasn't worth the money and since I can't get a refund I would say this is one of the worst eBooks I have ever purchased.

Would not recommend buying this shit eBook, it's full of saturated/public methods and all vouches are from his close friends.

Dissapointed badly.

Mr. Money™ - December 20, 2014, 3:33 pm

LaFerrari. - December 23, 2014, 10:13 am
I made 150 euro of this method today, good that we are sharing methods! Huge vouch for my man!

EvilMorty - December 24, 2014, 8:37 am
lol, why does the thread say these ebooks cost \$29.00 and \$39.99 but in your payivy its \$30 and \$40. I understand that it's only \$0.01 off but isn't that why people are encouraged to buy?
Anyway, I am interested in this method but I need to know a few things.
1) Seeing it as there is no need for investment, does that entail the need for outsourcing services/goods? I only see income but maybe there's a necessary purchase involved. practically playing middle man

- 2) Would this method be considered greyhat or whitehat?
- 3) How long can this method be used for? Obviously some tactics are going to dry up eventually.
- 4) What do lifetime updates entail? Do we get your next ebook for free or is it only the next thing you add onto this ebook?
- 5) Do you have any earnings from today, Dec. 24th, 2014?

Please get back to me. If you give me satisfying, honest answers, then I will probably purchase this. I also would like it if other buyers uploaded their earning proofs. *NEW buyers. Not previous.

?osty - December 24, 2014, 12:02 pm

Just bought his eBook. Will read and post a review as soon as possible.

Got high expectations for it.

- 1) Seeing it as there is no need for investment, does that entail the need for outsourcing services/goods? I only see income but maybe there's a necessary purchase involved. *practically playing middle man

Everything you need is included within the ebook. So no investment needed.

- 2) Would this method be considered greyhat or whitehat?

This method is 100% Whitehat there is no greyhat activity within this ebook.

- 3) How long can this method be used for? Obviously some tactics are going to dry up eventually.

Well this method can be used as you as you wan't it can't really get saturated.

- 4) What do lifetime updates entail? Do we get your next ebook for free or is it only the next thing you add onto this ebook?

Lifetime updates means if i update the ebook i will give you the new version but this ebook comes with like 5 previous ebooks on monetizing this is just extra for standard pack and premium pack.

- 5) Do you have any earnings from today, Dec. 24th, 2014?

These \$40's are what i made today ;) but i am not using it really active i am working on a new project atm ;)

EvilMorty - December 24, 2014, 4:34 pm

Send you some extra tips and tricks as well :)

Glad you received it :) looking forward to your review :P

EvilMorty - December 26, 2014, 11:05 pm

Does this involve selling ewhore packs via snapchat or something?

Actually, don't waste your time telling me what it doesn't include.

Could you please tell me what it DOES involve?

I mean, I love black box mysteries as much as the next guy but seriously... Without explaining it verbatim. What do you actually need to do?

Thanks!

DamienVC - December 26, 2014, 11:45 pm

The signature design looks cool and all.. Hmmm

Mr. Money™ - December 27, 2014, 3:39 am

(Dec 27, 2014 12:45 AM)DamienVC Wrote: [\[CITE\]](#) The signature design looks cool and all.. Hmmm
Haha thank you buddy :) i designed it myself :P

Once again sorry buddy :)

- Reddington ?

Edit: Its nearly 11:30 PM here so i will be on tomorrow again :) i will add something soon to the design so you know when i am on or off :p and for questions just ask them tomorrow i will answer them :P. However for future customers my ebook is autobuy so no worries :) just click the design and select your package

DamienVC - December 30, 2014, 5:13 am

Prices are high, but maybe with the secrets inside the eBook, the high price is explained.

Mr. Money™ - December 30, 2014, 5:22 am

(Dec 30, 2014 06:13 AM)DamienVC Wrote: [\[CITE\]](#) Prices are high, but maybe with the secrets inside the eBook, the high price is explained.

Well it's what you call high. People have 2 choices.

A. They buy a whole list of \$5 ebooks and make maybe \$1 or even worse nothing.

or

B. They buy this ebook for the price of \$30. And make their money back quick.

I am not forcing them to buy this ebook. Its people their choice which of the 2 options they choose.

Mr. Money™ - December 31, 2014, 6:24 am

Ebook is still working fine :) added the vouched to page 1

Lickitup - January 2, 2015, 4:12 am

hey men i bought you ebook can you accept me on skype, thanks

5416339 - January 2, 2015, 9:07 am

Well, something about this method seems fishy. All the vouches seem to have the same payee as yours. "Beatling Van". Care to explain why?

Also bought a new thread design and signature :)

- Reddington ?

Clouds Sick - January 13, 2015, 4:54 pm

Does this eBook work ? Can I do it from a tablet? If no money is made do I get a refund?

sethwilliam - January 13, 2015, 9:30 pm

Seems like a legit method, will write a full review once I figure everything out and get it working.

Mr. Money™ - January 14, 2015, 4:07 am

(Jan 13, 2015 05:54 PM)Clouds Sick Wrote: [\[CITE\]](#) Does this eBook work ? Can I do it from a tablet? If no money is made do I get a refund?

Yes this ebook does work.

Idk if you can use it from tablet one of my previous customers bought it and had a tablet only so i think it should work. As you see in the T.O.S no refunds will be given all sales are final this is to protect myself from leaking and as you see a lot of people are earning with it so i am sure you will make money with it as i made \$1000 in one week with it ;)

- Reddington

DamienVC - January 14, 2015, 4:38 am

Order your copy today.

Why would you wait for such a opportunity?

In fact everybody loves money look around you everything around you has something to do with money if you think this is not true, Let me explain it to you you are probably sitting behind your computer Scrolling through all these ebooks deciding which one to choose. And now i hear you think why i do this? Well the answer is simple you probably looking for a way to make money to fulfill your dreams. Well its not going to happen with one of those \$5 eBooks which are promising You to make a fortune online. Because do you really think people are going to share you a unsaturated method for \$5? Well the answer is No nobody is going to do that all those \$5 ebooks you see are mostly methods you already knew ar which are to saturated and you end up getting dissapointed. Well this is where we come in we do not only offer our unique method? No! we offer the opposite. We offer a unique method + Mentoring what does it mean? Well if you don't earn with the method i provide we

going to find a way to make money for you which fits your needs. If i did not pushed you past the line now then you probably not willing to make money. I can advise you one thing choose the right product!

- Kind Regards, Reddington

juanpirata - March 12, 2015, 12:09 pm

Friend you help me , I'm sick of being ripped off.

in the worst case , I want to recover the investment. I bought books and always sincerely as usual , nothing new, nothing fresh .

mp me

Mr. Money™ - March 14, 2015, 7:01 am

Mr. Money™ - March 29, 2015, 3:53 pm

Still Selling this awesome working method don't think twice and buy it right now!

The Coffee Grinder - March 29, 2015, 11:55 pm

This is still a piece of shit method. Stop kicking a dead horse.

Mr. Money™ - April 3, 2015, 9:15 am

(Mar 29, 2015 11:55 PM)The Coffee Grinder Wrote: [\[CITE\]](#) This is still a piece of shit method. Stop kicking a dead horse.

Please go trash someone else his sales you did not bought this product so you can't tell if it is good or not! You sir are a scumbag and you should quit this forums for sure. I'am sure nobody likes you! you are a annoying piece of shit!

Mr. Money™ - April 7, 2015, 4:48 am

eBook is still working great!

And we still give 50% off due 2 year existence.

Don't wait and order now!

The eBook is for Sale again the method is still working like a charm!
For Questions feel free to PM me!

Mr. Money™ - June 29, 2015, 3:07 pm

As Mentioned before this method is still for sale! PM me for further details!

Mr. Money™ - July 31, 2015, 1:06 pm

If you are in need of money i suggest you to buy this ebook! This ebook will make you some nice money.

So don't think twice and buy it now. As our customers say they never seen something like this before!

And don't listen to that coffee grinder guy as he is just pissed off as he is mixing me with someone else as he never ever bought a prouct of mine.

He i just a anti ebook guy so leave him in his little small world where everyone is against him. :)
Anyway if you have questions regarding this product or my other products be sure to shoot me a PM

?Fazzer - July 31, 2015, 1:43 pm

Vouch for reddington his products, Just reviewed another great product of his.

Nysta - July 31, 2015, 1:50 pm

Huge vouch for him! Bought it and I earned \$\$ quite easily. Put some effort into it and you will be extremely satisfied with your results! Huge vouch for reddington. He is a true and honest guy.

Mr. Money™ - August 1, 2015, 1:49 am

Thanks to everyone being so positive about my ebook!

Mr. Money™ - August 5, 2015, 11:50 am

Kaz'jin - November 13, 2015, 10:46 am

I purchased the book off Red for a discounted price and I've been making some steady earnings the past week, around 250\$+ as of right now

Kudayoru - November 13, 2015, 12:55 pm

Huge for Red. Bought this ebook some time ago. It's awesome! Highly suggest.

BlueForU - November 13, 2015, 1:25 pm

I've been a customer of this server. Really helpful i was making profit the first hours! Really high quality ebook !

Mr. Money™ - November 14, 2015, 1:48 am

Thanks for all the vouches i am glad you all enjoy your purchase!

Mr. Money™ - December 4, 2015, 4:56 am

The method can also be used to make bitcoins instead of paypal.

As you can see you can earn a nice amount of btc to using this method :)

Mr. Money™ - February 1, 2016, 2:26 pm

Method still working as today! BTC only
