This is a project I am doing for GCSE Media Studies. It is not completely finished. But if you could please rate it, or give me constructive criticism that would be great! ? (The person at the front and back cover is my dad).

I'd probably say focus in English? Your grammar is terrible for being British xD

Im polish but live in UK. I was thinking of putting a background to it, but I'm not sure what to do :/  
And all of the images I use have to be original.
