So I have one spare gift, the first one to post here will get it. (I need your email address, you can either PM me it, after posting, or include it in your post, and please make sure it is correct because once the gift is sent I cannot take it back.)

Hey thanks, I'd really appreciate this.

Edit: Here is my email: hfdoxicity@gmail.com

Thanks, I appreciate it.

I am an ub3r member anyway, so it doesn't matter.
