Thread: [Ub3rs abusing reputation powers](#)

???????? - December 9, 2014, 1:15 pm

Hello.

I'm posting this thread about ub3rs abusing their reputation privileges, yeah I'm posting this thread mostly because one of them decided to neg rep me because I wouldn't do his homework for him.

I'm just curious if staff ever do anything about this or it's a free for all. If I upgraded to ub3r would I be allowed to neg rep anyone saying something like "I dislike this user" or something like that every time?

Thanks.

We recommend you take the time to read the [HF Help Documents](#) section. The answer to your questions should be contained in there.

This is not rep abuse, don't complain about reputation.

Then what should he use his neg power for?

Paranoid? - December 9, 2014, 1:17 pm

It's a valid reason. He isn't 'abusing' his power.

Please learn what the reputation system is for. Where do you see any form of reputation abuse on your profile? Seems like you're just crying you got a neg.

Quote:What is reputation abuse?

Reputation abuse can be very complicated subject matter. Here is a list of the following ways reputation can be viewed as abuse.

- Flaming: Using coarse language to describe or berate a member.
- Reputation as a currency: We do not allow the buying or selling of reputations.
- Gang Rep: The act of coordination with other members to raise or lower a member's reputation is not allowed.
- Rep Coercion: Using intimidation, threats, or blackmail to get reps added or removed.
- Rep Requesting: You cannot give hints, tips, or request reputations.
- Scammer Reputation: You're required to leave a link to a Deal Dispute thread you have created to infer someone is a scammer (ie: scammer, scams, chargebacks, scamming).
- Reputation Collusion: Agreeing to participate in reciprocal reputations with a member.

Ub3rs are allowed to give reputation as long as it is in the guidelines listed above. Even the [Reputation System Help Document](#) says:

Quote:The rep I received is pure nonsense, can you remove it?

As long as the rep isn't abuse by our definition we don't care if it makes sense or not. "Goobe gooba doo" is a perfectly acceptable rep.
