That's awesome. You hear about people cosplaying Bruce Lee but this guy essentially is Bruce Lee lol.

Although, I'd have to agree with one of the comments on the video. Homeboy needs to train a lot more than twice a week if he hopes to be a champion like his idol.

Right? shit was off the chain for me to see one of my favorite legends practically reborn lmao. And that's true as hell, bruce trained for up to 15 hours a day usually all week lol. and fuck he'll need to learn english to ever make it in hollywood.
