Thread: [The BEST PTC \ I made \\$60 the first week](#)

Juice WRLD - December 11, 2014, 9:40 am

[img]http://csstatic.com/img/ClixSenseLogo2.png[/img]

This site has been around since '07, so many of you may have heard of it.

I joined back in the day, and never really used it. Ran into the owner last month and my first week back on the site I made \$60 (bought COD: AW).

For a PTC site \$60/week (basically \$10/day) is really good money. Since then I haven't been as active and only made \$40 more, but either way that's \$100 for easy work (surveys, etc).

My referral link is below, if you have any questions or tips, feel free to PM me, I will assist you as best as I can.

P.s. The owner is a great guy, and wanted me to try to get more people on the site. After you join, you can use your referral link and get people to sign up under you, they are doing a promotion currently and it's a good way to make extra money.

IF YOU NEED ANY HELP AT ALL, FEEL FREE TO PM ME. I WILL TELL YOU MY METHOD!
(Sorry for caps, but I want to help)

Thanks!

Proof:

Edit; I'm starting to become more active on there again, now I'm up to around \$276 total. There's barely any effort involved.

Juice WRLD - December 19, 2014, 1:28 am

To those of you who signed up and never messaged me, I can give you pointers. Don't hesitate to PM me. This site is 100% legit.

Emily Blunt - December 19, 2014, 1:33 am

I just cant get it how clicking some website can make you 10\$/day. You earn like 0.0000001\$ per website

I can show proof if you want, I didn't spend a penny on the site.

Emily Blunt - December 19, 2014, 1:47 am

Yes please do show me some proof.

No doubt, they have a couple of countries banned. Lebanon being one.

Good luck.

I added proof, this is 100% legit, good luck to anyone who decides to join.

This site is nice, but the 8\$ minimum cashout is a bummer.

That shouldn't take long to get, a day or 2. I thought it was \$6 tho.

Thehackerguy1 - March 28, 2015, 11:27 am

Bro, i get nearly 25 ads, after i click i get like 0.6\$ approx, how 6\$ in a day? please explain.

There's more than ads on the site, explore it.

Juice WRLD - April 14, 2015, 2:22 am

month \$49.4153 year \$149.3620
last month \$91.9679 last year \$112.2859 total \$261.6579

Just some of my stats.

csongiika - April 14, 2015, 11:47 am

The surveys are country based, I don't have any survey in my country. I have only offers, but those are mostly paid offers, so there is no chance for me to even get \$1 a day. ?

Sorry for that dude, it's US based, so US users will earn more via surveys.

Juice WRLD - April 24, 2015, 2:05 pm

I'm up to around \$275 earned in total. This is easily my favorite site to earn income.

Dome - April 25, 2015, 10:25 am

Yeah, this is incredibly hard for Non-US people. I might try to use VPN to sign up.

Not sure if that would be the best idea, I think they will figure that out pretty fast.

Juice WRLD - April 28, 2015, 9:21 am

This is 100% legit, and it's easy to earn. Feel free to message me with tips.

Juice WRLD - May 13, 2015, 10:32 pm

The site is nearing 5,000,000 people. Act now and start earning.

Juice WRLD - June 9, 2015, 10:17 am

I haven't been that active on here or on the PTC, but it's still a productive way to earn good income.
:D

Juice WRLD - June 11, 2015, 5:47 pm

3 or 4 people signed up the past 2 days but nobody has asked for help, if you need anything let me know!

Juice WRLD - June 13, 2015, 4:09 pm

I would love for people to leave feedback and let me know how you're doing on the site. There's no reason to join and not PM or post on here, I'm here to help!

Jet??? - June 14, 2015, 2:22 am

how much are you earning per click? and is this manual clicking?

That doesn't change, unless you're upgraded. So it's the same for everyone else.

Confusing - June 17, 2015, 2:05 am

No problem, let me know if you need any help with the site. I need to be more active on there, I just haven't been.

But making over \$300 is amazing on a site like that.

Kify - June 18, 2015, 1:26 pm

Yeah, sometimes it's hard to qualify for surveys. Are you from the US?

Ahh, that's another thing. The site has tons of people from all over the world, India is prob. #1 or #2, but they don't convert as good for non-US members.

ruthlessmc - June 19, 2015, 5:01 am

Very hard to qualify for surveys. I'm in africa only made 1\$ from a survey they provided. the survey portals always have nothing...

TM88 - June 19, 2015, 10:10 am

Any pointers on how to complete surveys? Seems like the best way to earn, but ive never been able to finish one.

Use 100% real info, if you have to make a new email strictly for survey use, do it.

How have you made so much? You get like, nothing from clicking the ads.

There's a lot more on that site than clicking ads, they have a Grid where you can win \$5 or \$10 instantly/daily. You can also do offers/surveys and refer members.

Jake Miller - June 30, 2015, 8:15 pm

PTC is a nice simple way to make some cash bro, but the offers you do pays them 5 times more than they give you.

Look into CPA, you'll succeed good there if you bother to do some research.

I know the owner, so I feel like I'm doing him a favor. Dude's loaded, I know.

And yeah, I used to do CPA with a partner. I never got fully into it, but we made good money.

Well, one question is the ads region limited?

Thank you.

Juice WRLD - January 19, 2018, 8:59 am

Couple updates on this, they've revamped the site a bit.

You can no longer withdraw to Paypal, but they have other services that are similar.

I haven't been using it much but my total is at \$340.44 now.

Good luck!
