Krave - December 11, 2014, 2:22 pm

Do you want to dominate Snapchat? Want to earn money through your Snapchat views? Well now you can.

How does it work?

If you join this group, you can easily grow your Snapchat by promoting yourself through other Snapchat Famous members!

You gain popularity by doing a shoutout for shoutout (sfs) with our others members. You can potentially gain 5k+ in a day!

How do I join Snapchat Famous?

If you already gain over 1,000 Snapchat story views, you can PM me your Skype username. I will then add you to verify your views, and add you to the group.

You then have access to what the group has to offer!

Join today and earn big!

Mastermynd - December 11, 2014, 2:29 pm

I'm apart of this group and can personally say just how incredible it has been to be apart of this.

We're all in this together so if you're interested in banding together and getting as many Snapchat friends as possible and you get at least 1.5k story views then make sure you add him to join.

Absolutely of course. This can easily and rapidly build an Instagram account and that's part of what I'm personally going to use it for.

For the most part yeah that is correct.

SWS. - December 16, 2014, 6:47 pm

Too bad that this is mainly ewhore traffic since I have a very famous celebrity Snapchat that gets a ton of views, adds, and snaps.

Mine is mostly teenage girls though, not horny dudes lol

It can still work. We can just promote without saying anything ewhore related. Hit me up if you're interested.
