You should do haha , as in the next update , i will add:

-Mining Feature!

-uPnP Feature!

-Registry Viewer/Editor!

-Persistance!

-File Binder!

-Spoofers!

And the price might increase a bit , so just letting know ?

2073436 - December 14, 2014, 1:23 pm

I like the design of the RAT.

Seems like a nice rat!

Blatngu® - December 14, 2014, 1:35 pm

Thank you all guys for the kind of words!

I beta tested this, and I can tell you from personal experience that it is pretty amazing. Don't hesitate to purchase

DriiPy - December 14, 2014, 3:05 pm

Vouch for Luca. His IRC bot is perfect.

Anodise - December 14, 2014, 3:40 pm

Looks similar to RWX and Astro RAT in some places, but other than that it looks pretty good. Might buy it some day, it'd be nice to add it to my collection. Nice work!

Eru Chitanda - December 14, 2014, 3:51 pm

Adding you now, interested for ratting again and goodluck with sales!

Bubbles. - December 14, 2014, 10:52 pm

I can vouch for this product! It is FUD as of now :)

Blatngu® - December 15, 2014, 1:34 pm

Thank you for the vouches! If anyone add me on skype tomorrow i won't be online until tomorrow night (GMT +1) . Sorry about this ?

Moon Rock - December 15, 2014, 1:35 pm

Looks like a good rat, good luck with sales. Are you going to have an updated virus scan link on the thread?

I'm not saying it's to see if it's fud, but to show what the detection rates are... Most other rat threads have them.

36 kb Stub is really, really good lol vouch for this guy not many rats out here with a stub file this small! would be really good for buying and selling bots, you could make a lot of money with this rat.

Blatngu® - December 16, 2014, 11:17 am

Thank you guys! And yeah 36kb is a very low stub size!

Also i've released a update!

Added:

-uPnP Feature!

-Backup Host Feature!

Blatngu® - December 21, 2014, 10:50 am
