(Dec 14, 2014 04:25 PM)Vancouver Wrote: [\[CITE\]](#) If you've got an Amazon account you could buy \$50 worth of stuff on there?

Can you pay with PayPal money on Amazon then?

Red????????? - December 14, 2014, 3:29 pm

Quick !

Go buy a subway gift card when live off of \$5 subs for the next 10 days

Hayley Williams - December 14, 2014, 3:32 pm

Best option you have right now is Gyft. You could use that for Amazon.

tekt77 - December 14, 2014, 3:32 pm

no you can't use paypal on amazon. you can on ebay, which is probably better anyway
