Thread: [\[REQ\] Ejuice Company's Logo](#)

Adiissophone - December 14, 2014, 5:42 pm

Hello, I own an ejuice company called Down River Juice. I need a logo made for my company, and I want the "D" and "R" incorporated in the logo as well. If you do good, then we will be in contact with a lot of business for you!

I also... need a banner with the demensions 960px X 289px that says "Down River Juice" and somewhere mention on it 30ml for \$10. Just make it look professional and represent my company!

Many Thanks! Happy Holidays!

You are selling 30mL for \$10, mother of god. I pay \$10 for a 10 mL here.

OT:

I will see what I can do for you.

Edit: I have a few ideas, but not sure what you are looking for.

By the way if you are not printing on a white label, let me know. I will revise those or make new ones.
