Thread: [\[\\$30.00\] MINECRAFT EXPLOSION: GET MINECRAFT RANKS FOR FREE \(NOT AN EBOOK\)](#)

afk0 - December 15, 2014, 8:51 am

This is NOT an ebook, this is a mentoring service. I will teach you how to do this over Skype. Do not ask for vouch copies, they have already been given. I'm not getting you a rank for "proof" either.

It's much easier to get cheaper ranks on lots of servers then it is to get an expensive rank on one server.

Theoretically, this can work with really expensive ranks but it is highly unlikely. \$500 ranks are bullshit anyway.

This sounds like an awesome method!

If it's what I think it is, I might know it.

Good luck with sales, If you're giving a few Vouch Copies, I will happily give you a huge and detailed review about the eBook and the outcomes I get.

-KillerNoodle? ?

Hamware - December 15, 2014, 8:54 am

Looks good man, I'll wait for vouches, if you're looking for people to review it. I don't mind, but GLWS mate. Looks very promising.

Thanks dude, will let you know when I get some vouches. I've sold 2 copies already which means I can sell a few more before raising the price.

Nemulus - December 15, 2014, 9:38 am

Any proof? You got no vouch copies and no proof of servers you own that got popular.

Prepubescent - December 15, 2014, 9:40 am

For Proof, Could you try this on a server I choose?

If you go on a server I play a lot and get the highest rank for yourself, I will buy this method ;)

Just so I know it works.

PM Me for Server IP and we can talk more about me buying this method :)

Once you start it how long in till you get the rank

Hire - December 15, 2014, 10:05 am

Does this has anything to do with plugins or impersonating?

Thanks, and glws.

It all depends on the server and such, the shortest it's ever taken for me personally is 30 minutes but there have been cases when it takes 2 weeks.

Just to be clear, it is MUCH harder and you have to be EXTREMELY lucky if you are trying to get a crazy expensive rank.

Don't expect a 100% success rate when trying to get super ultra overlord supreme on your favorite faction server.

Touch - December 15, 2014, 3:29 pm

i think this is my last question lol... does this require you getting a sponsorship? like someone buys it for you then you do something for them?

I swear to god I'm going to kill myself if you ask me another question...

NO IT DOES NOT INVOLVE A SPONSORSHIP.

It can technically work on HackerCraft, it may be difficult if your account is well known.

By reading the answers you've given it surely does look like it.

If you bothered to read the thread, it clearly states there is no SE involved.

As long as the server has the ability to donate, it will work on that server.

Sorry for the extremely late reply, I have 3 sales of the mentoring service, 2 sales of the gist of the method, and some vouches from the gist of the method.

Any item, like I said though. The pricier the item the harder to obtain.

Neat that you are mentoring instead of writing an ebook, GLWS.

afk0 - April 12, 2015, 8:45 am

Opening my mentoring service once again. Still for only \$30.

SupremeBot - April 22, 2015, 10:00 pm

The reason people are asking lots of questions is because no person has reviewed it with a vouch copy (I'm not a vouch copy whore, I'm not asking for 1.)
