Thread: [Has anyone watched Index 1 and Index 2?](#)

Chad ThunderCock - December 15, 2014, 4:34 pm

I'm at episode 6 and although it isn't completely bad, I don't know if I wanna watch all 50 episodes since I'm finding it to be that appealing, the MC is retarded weak, only thing he has going for him is the right hand which has 0 offensive capability. And he's a god damn lvl 0 esper....

Will he ever become stronger later on?

If you're talking about this:

I saw the first four episodes then dropped it, mc is a fuckboy. It's shit bro and I'm glad you moved on from Mirai Nikki.

Yea talking about that one, MC feels really .. "meh" will probably drop it too.

Mirai Nikki still is my #1 tied with Spice and Wolf although I'm having a hard time deciding between Holo or Yuno

If you we're in Nyaa you would have been nuked at least 6 times. It was a great Anime, loved it as well as it's counter-part.

wolf ears and tail is hotter

mc is complete shit, so boring. Tries so hard to build a badass mc but it fails horribly, wasted potential. Drop it now and move on to something better.

Drop it and watch railgun. Much better than Index :P

Chips Ahoy McCoy - December 15, 2014, 5:45 pm

I'd suggest watching Railgun, Railgun S, Index, Index 2. Or w/e the second index is called. From what i've seen Index is a bit boring. Railgun picks up quick though.

Index is really boring. Railgun is so much more time-worthy and better.

severos - December 15, 2014, 8:23 pm

well, it's kinda boring to watch that series, not sure how the hell I managed to watch the whole series tho, but you should watch Railgun as others suggested, it's way much better than index.

Alexchaos - December 16, 2014, 5:11 am

I liked it although Railgun is much better in my opinion. So if you find it boring go watch Railgun.

Yeah.. I was going to do it too but wanted to see if it actually picks up. Huge disappointment.

Wow, I just started Railgun and i'm suprised.

The opening song is one of my favourites in Osu.

(also abit offtopic, but eightworks, your avatar rules)

Hmmm am I the only one that liked Index more than Railgun?

Fireworks - December 17, 2014, 5:55 pm

You should definitely finish watching it. It's a good series. Somehow, I ended up skipping season 2 of index and went straight to railgun, but it should still be good.

I heard it's good by some people, but the only reason I'm not watching it is because one of the MC is a nun. ._.

Japanese - December 17, 2014, 10:30 pm

Watched it and Railgun also, it was a nice anime, but Railgun is better imo.
