Thread: [Any anime you hated but then liked?](#)

iKickCats - December 16, 2014, 8:44 pm

Which anime did you guys at first hate but for one reason or another decided to rewatch it and then grew on you?

For me it was bleach, Naruto, Death Note and Yu Gi Oh lol

Albert - December 16, 2014, 8:46 pm

Back when I was younger I didn't really like OP that much and couldn't be asked to watch over 300 Episodes, but Last Year I gave it a try again and I got hooked.
Loving OP for life. :3

Chips Ahoy McCoy - December 16, 2014, 9:01 pm

Probably Hyouka. The first episode was meh to me but after two more I was hooked.

Same here but mine would be
Witch Craft Works

I didn't like it while watching 1-3 episodes then I watched the rest. I suddenly liked it after the 5th episode. lol

I wouldn't say I hated it, but I would agree with you. First couple of episodes weren't the greatest, but I really liked the second half of it. Nothing else comes to mind besides that.

Sasaki Haise - December 16, 2014, 9:16 pm

Stein's Gate and Hyouka. Both turned out to be great.

Erwin Schrödinger - December 16, 2014, 10:13 pm

For me it has to be Myself;Yourself.

Up until that point had I only watched 100% action animes or comedy ones.
However I had never watched a romance. So I just told myself that I'd probably never watched it.
But it all happened one night I had nothing else to watch, and I decided to watch just one episode.
Since that episode has romance and slice of life animes been my favorite. :D

Sketches - December 16, 2014, 10:15 pm

Log Horizon. Definitely. I got bored of the first episode. Came back to it a few months later and loved it.

Dragon. - December 16, 2014, 11:51 pm

Steins;Gate. That show bored me to death the first ~7 episodes. It took me almost a month to get

through them.

Once episode 7 (or 8?) ended though... I marathoned through the rest of the episodes + OVA + movie in a day and a half lol...

I hated KLK at first, rewatched it and loved it. It's one of my favorites now.

Duyere - December 17, 2014, 12:23 am

I hated Naruto and One Piece for the longest time, was very reluctant to watch them. Randomly started watching them both one day and I do not regret it.

And when I go to watch a new anime, I am always hesitant to watch it. I always judge a book by it's cover.

Then I watch it and end up deeply enjoying it.

Prefix ? - December 17, 2014, 1:41 am

Years ago I really enjoyed Inuyasha but only one I can really say I would still enjoy would be Full Metal Alchemist.

(Dec 16, 2014 09:44 PM)iKickCats Wrote: [\[CITE\]](#) Yu Gi Oh lol

Even as a kid Yu-Gi-Oh! pissed me off Yugi was a cheating piece of shit and ironically the only character to never cheat was Kaiba. But Kaiba was always seen as bad in early seasons OH NO KAIBA ASKED ME TO DUEL I SAID YES AND BET MY FAVORITE CARD HE WON AND RIPPED IT UP! oh fuck u gramps quit whining u lost fair & square.

Yugi attacked the god damn moon in 1 episode pretty sure your not allowed to do that he also in one of final episodes casted a spell on Obelisk the Tormentors feet because it said Obelisk could not be affected by spells. He also makes horrible misplays fighting the pharoh he discards monster reborn with Gold sarcophagus to make the Pharohs monster reborn not work well why didn't Yugi just revive Slifer?

iMew - December 17, 2014, 2:32 am

Sasami-san@ganbaranai, found the first episodes to be really weird and stupid but started to like it once I watched a few episodes. I wouldn't say that I "hated" it though, I usually finish anime before having a strong opinion about them and I don't rewatch if I don't like an anime the first time I watch it.

Eru Chitanda - December 17, 2014, 2:33 am

Mirai nikki, Mahou sensou both of them

Esdese - December 17, 2014, 6:27 am

I didnt really like kyoukai no kanata and kill la kill at first but after like 2 eps i couldn't stop watching them.

?I???ry - December 17, 2014, 2:43 pm

To be honest I hated Attack on Titan the first 4 episodes or so. But I kept watching it and grew to like it :3

QuickMan - December 18, 2014, 9:10 am

hmm i hated romantic animes at first. Like just looking at the genre would get me mad lmaoo. But an anime itself that i hated than liked would probably be Aku No Hana. There was another one but i sadly cant remember the name.

B?ue - December 18, 2014, 9:12 am

All of it.

Almost nobody I know IRL watches anime.

Saw this at one point and instantly thought all anime fans where like this

[img]<http://www.the-two-malcontents.com/wp-content/uploads/moe.jpg>[/img]

Then after ages of persuading me, My mate finally got me to watch an anime film

and I kinda enjoyed it so I watched a few more

Realized its pretty good

Took back what I said

Enjoy anime now :)

Pat. - December 18, 2014, 9:14 am

When I first watched monster I thought the first episode was boring as fk, But I went back and watched a few more episodes and was hooked xD.

Deany - December 18, 2014, 9:15 am

The "Fate" series. But my mind has changed for obvious reasons.

tldr - December 20, 2014, 1:18 pm

omg KIMI NO IRU MACHI.

i started it once and thought omg this will suck soooooo hard and quit after chapter 3 (lol) but then i started again and...

wow this manga made me so damn happy for waking emotions that were long forgotten :D

Sweetconnie8 - December 22, 2014, 7:20 am

I didn't understand tootoro (animation film) the first time and didn;t really like it but after watching it again, I really liked it and loved the trippy effects

Ryner - December 22, 2014, 7:48 am

Inuyasha and several Mangas. I tend to force myself through at least 10 chapters or 5 episodes, I cannot rate a book/series merely through it's cover/first chapter/episode. Admittedly, I used to drop Animes or Mangas after the First Episode or Chapter back in the days. Which I stopped when I ran out of Manga and Anime to read/watch.

EDIT: I usually end up going back to the Animes or Mangas that I've dropped and give it a second chance. But... there are going to be certain works of ** that I will not even think of giving a second try. I will not give examples, as it is personal preference. But let's just put it this way: I don't really like being bombarded by Ecchi.

Yui Asuna - December 22, 2014, 8:32 am

Watched the two first episode of Gunslinger Girl when I was younger, thought it was slow shit & all.

Came back to it 3 years later, best anime I ever saw, bought all the manga & made me cry like a bitch.

Ormr - December 22, 2014, 8:41 am

Trinity Seven.

Or well, I still hate it, but I also love it, it's complicated.

Kenzo Paris - December 22, 2014, 12:30 pm

·Lawliet· - December 22, 2014, 12:58 pm

Arakawa Under the Bridge, and Welcome to the NHK, both were meh to me, but after 2-3 episodes,

I got hooked up.

They're on my top 50 now!

hamzah555 - December 22, 2014, 4:59 pm

For some reason i disliked the first couple eps of Fate zero and fate stay night. After a while i quite enjoyed it

QuickMan - December 22, 2014, 5:05 pm

I would say Aku No Hana. At first the animations just got me mad but i sucked it up and watched it and was pretty amazed.

Gladly - December 22, 2014, 6:00 pm

butwhatif - December 22, 2014, 6:29 pm

One Piece I first thought it was going to be some bs anime but it's extacly a funny anime :D

okanbey1 - December 23, 2014, 3:09 pm

I used to hate Naruto i don't know why but then i watched it again and somehow it was awesome

VYKTOR - December 24, 2014, 3:19 am

Mine would be Steins Gate.

I watched it till 10 episodes & was about to drop it but then it turned out to be amazing.

Whatsapp Inc. - December 24, 2014, 3:22 am

Naruto i used to hate it badly but now its the only anime i like along with sao

candywtf - January 10, 2015, 1:19 am

#DPT - January 10, 2015, 1:21 am

I hated Nartuo because it always gave me a headache, now I am like can't live without that ?

Geralt of Rivia - January 10, 2015, 8:37 am

SOA, I didn't really like it at the beginning, but a lot of people said it was really good. So I forced myself to watch a couple episodes and it turned out to be really good. (The first season)

SpydreX - January 10, 2015, 10:39 pm

The old HxH, Its now my favorite anime including the 2011 version!

tatsucheng - January 11, 2015, 4:20 am

Like Endomous already said "Probably Hyouka. The first episode was meh to me but after two more I was hooked." That's the same for me.

Lyrlei - January 11, 2015, 4:26 am

I disliked steins;gate at the first time- biggest mistake. it's now one of my faves.

teddytabs - January 17, 2015, 12:19 pm

I would have to say
Hitsugi no Chaika

Kenpachi - January 17, 2015, 12:26 pm

Clannad and Hunter x Hunter for sure.

Crya - January 17, 2015, 12:40 pm

Most people would say Steins;Gate because the first episodes are really boring. After that it is really amazing.
