Thread: [1 month xbox live code](#)

LeTreehugger - December 17, 2014, 7:34 pm

Sup fellas, giving out a free 1 month code for xbox live.

Just post a joke or whatever you'd like, you'll be giving a number based on your post #. So if you post first you're number one, and so on. Winner will be chosen by drawing a number.

I'll close this out when I wake up in the morning and PM the winner.

This is open to everyone no matter you're status.

Shit just realized this is in the wrong section of the forum.

Joke: A little girl is in line to see Santa. When it's her turn, she climbs up on Santa's lap. Santa asks, "What would you like Santa to bring you for Christmas?" The little girl replies, "I want a Barbie and a G.I. Joe."

Santa looks at the little girl for a moment and says, "I thought Barbie comes with Ken."

"No," said the little girl. "She comes with G.I. Joe, she fakes it with Ken."
