Hello there.

Currently I am working with the microsoft and if you are looking to have a bizspark account, I'll get you the account.

NOT FOR ILLEGAL USE

Requirements:-

A TLD.

email@domain.tld

contact details.

Your Website should have atleast 5 pages including about us and contact us.

I'll get as much account approved as you need.

But if you are not going to do any illegal activities with it.

You will get 11TB of all Microsoft Software license with 3 years of free Azure.

Thank You.
