Thread: [Just in case you updated kik \[mediafire link\]](#)

PolarBeats - December 19, 2014, 9:03 pm

here is a download to kik version 7.2.2 (which still works with fake camera)

<http://www.mediafire.com/download/od1q2q3c5e2906y/kik.android-7.2.2.99.apk>

Virus scan (idk if virus total even scans for android malware)

<https://www.virustotal.com/en/file/a3d55e6437779243ae5839c20d30eaf393bcabcf6c83f2dfac0e09300b229d40/analysis/1419051581/>

do you get a error?

can you post screen shots?

i might be able to help and if i cant someone else might
