The To Love-Ru -Trouble- Darkness stage event at Jump Festa 2015 announced on Sunday that production on a second television anime season, To Love-Ru -Trouble- Darkness 2nd, has been green-lit. The event unveiled the new season's key visual and title logo. The new season will reunite the main cast and staff from the first season. Production on a new game, To Love-Ru -Trouble- Darkness: True Princess, has also been green-lit for next year. This time, the game is an "eagerly anticipated full-fledged dating simulation game" for the PS Vita system.

Also on CR.

Didn't watch the first season yet but it's been on my ptw for some time and... well I like ecchies usually. I might watch it before the 2nd airs and follow that weekly then

iMew - December 21, 2014, 11:31 am

So hyped for this, all those inferior harem anime like DxD can go fuck off. This is going to be the best thing ever. I've been following the manga and I really like it.

... why do I have to wait for this, I want it to be done already. ;_;

Chips Ahoy McCoy - December 21, 2014, 2:54 pm

I've never actually looked at this series at all. I've only seen Lyrlei talk about it. :p

tweety - December 21, 2014, 3:03 pm

Can't wait for this. Been waiting WAY too long.

Galaxias - December 21, 2014, 3:05 pm

Aah hell yeah, been waiting for another season @_@

Esdese - December 21, 2014, 3:46 pm

I'm guessing it's the third season, since there's To Love-Ru, then To Love-Ru Darkness or?

It will be the fourth. It goes To Love-Ru, Motto To Love-Ru, To Love-Ru Darkness, and now this upcoming season.

I hope you watched all the OVA's from Darkness too, they contribute to the story and are a follow up of the Manga.

The OVAs mostly adapt the extra chapters that solely exist to throw fanservice at you, they don't really contribute to the plot. I'd imagine the second season starts where the first season ended, rather than the point the OVAs are at (they'd run into a lack of source material if they did that).

4 seasons?!?!?

I have to watch it now!

Yeah I've seen everything to watch from the series. I was only speaking from a season to season standpoint.

I'm also caught up on the manga as far as it goes.

That's not all either, as Tweety said there are several OVAs to also watch.

Manny - December 21, 2014, 5:14 pm

YAY!!

More Rito + Extreme fanservice. Who's going to throw a parade with me?!

Vip?r - December 21, 2014, 6:28 pm

YES I didn't think they'd continue this.

?Tet? - December 21, 2014, 7:15 pm

I've seen about half the first season I really liked it, I'm going to have to get caught up on it now.

Esdese - December 21, 2014, 8:10 pm

Wait these are all tied together right? Like same cast?

Cause the OP says darkness season 2...

Yes they all have the same cast, not sure what your mentioning of Darkness season 2 has to do with that.

Esdese - December 22, 2014, 1:13 pm

"To Love-Ru Darkness Season 2 is Coming." As in like season 2 of the darkness specifically, not To Love-ru season 4 lol

It's still a part of the main series, the focus just shifts to different characters even though all the original characters are still in the show.

To Love-Ru been on my watch list for a while, but was too lazy to actually look for how many seasons it have, I'll go start watching instantly, thanks for sorting them out for me XD

Rakshasa - December 23, 2014, 12:49 pm

Oh wow, more otaku fodder. I'll be damned if anyone's actually surprised at this.

Yeah I've tried to watch TLR. Possibly the blandest thing I've ever spent my time on, and I've spent my time on some really bland shit before.

Esdese - January 21, 2015, 10:44 am

So, I'm on episode 14 of the first season and it's really super fucking boring. Does it pick up? Or can I like just skip to a certain part?

Also I swear to god if that mother fucker doesn't pick Lala somewhere in the series...

EDIT: At this point I don't mind if someone slightly spoils it, but does he end up falling in love with Lala? I know in season one he doesn't but in any of the other seasons?

If he doesn't I'm dropping it. And I HATE dropping anime.

Kiyoshi - January 21, 2015, 11:05 am

Havn't really watched this anime before, so a season two isn't really a "\0/" for me, at this time.

But just because some of you guys seem to like it, maybe I should take a look.

Is it a worth-to-watch anime? ^-^

He still hasn't chosen anyone at the end of Darkness, which is the latest installment for the anime.

Idk why you want him to pick Lala when Momo is clearly best girl.

Watch it and find out for yourself. I loved To Love-Ru and still think it's one of the best harems out there.

Well does it seem like he will be choosing somebody?

also Zero no Tsukaima best harem anime

VYKTOR - January 21, 2015, 12:02 pm

I haven't seen this series but that cover makes me want to watch this.
I might check this out but if it has mecha then I might drop it.

I think it's pretty obvious who he has feelings for but he still never chooses despite pressure from the other girls.

Mecha > all

To Love-Ru has no mecha, though.

Well is that person Lala?

Actually I don't know if I wanna know. I'll probably drop it after I finish this season, at least until darkness 2 comes out

Lyrlei - January 27, 2015, 4:02 pm

Probably nothing serious on season 2 except dark yami.

Will she be kawaii like Yami? Cause you know I'll still be happy.

KyHax - January 28, 2015, 7:35 am

OMG, yes! I need this, this is one of my favourite anime's I have ever watched!

NotYourNormalApproach - January 28, 2015, 7:45 am

Well that's some good news. Looking forward to the new season. Yush.
Anyone who got more news about it ?
