I don't want to use the template thing that you said because mine doesn't fall into any of those categories.

Could you make me one similar to my one just now. With the same color text and the same style?

Just a different font. I don't like bold/fat fonts.

Thanks.

Pm me the color you want - Visit <http://www.computerhope.com/htmcolor.htm> and tell me which color

Pm the font used - Visit www.dafont.com

E: Seems like you don't wanna look for it, ill give you alot to choose from.

Sky- - June 4, 2010, 10:30 am

If I wanted to do that all myself I would -.-

Save my sig, use the eyedropper tool to get the color.

You choose the font.

Amazing - June 4, 2010, 10:31 am

Hm, something tells me you didn't create all of those signatures....

I've seen this one before...

[img]<http://i858.photobucket.com/albums/ab148/jo2soy1/SixthPremade.jpg>[img]

The URL is also blahblahblahblah "/SixthPremade.jpg".... Lol.

Just leave it, I will keep my current one.

Thanks for your efforts though.

They have not gone unnoticed.

This is actually a fail thread, when are you gonna make these damn Sig ?

There's alot of demand, and you didn't even made one..

So close this thread if you are not going to make it.

Resistance - June 7, 2010, 3:52 pm

Nice signature's good job, I might ask for one in the future.

MonEy - June 7, 2010, 4:00 pm
