Thread: [Fuck the botnets - vulnerabilites on botnets - hijack](#)

HIGH PAID FELLA - December 27, 2014, 2:16 pm

There you go HackForums,

<http://siph0n.in/exploits.php?id=3642>

Decided to share it here, includes SQLi's, XSS', Shell Upload's etc.

Be sure to check it out.

Pls dont root my ip

Nice share op

potti - December 27, 2014, 3:33 pm

This has been patched, it was good before it was public news that phase had vulns

This is so old, this is the second thread.

The last 3 ones are the "newer" ones.

Minimal. - December 27, 2014, 3:36 pm

Code /Phase/

lol, didn't the coder of Phase go full MIA after people found all these similarities with Solar?

?Syria - December 27, 2014, 3:38 pm

dont worry lol i wont root it or do any thing lol
