Thread: [\[\\$9.99 NOW\] Minecraft DOMINATION Get your Ranks/OP on any server now!<<\[UPDATED\]](#)

Purest. - December 28, 2014, 4:10 am

"Use this method to bypass cryptographic functions that are used to store passwords and view them in cleartext"

METHOD FIXED AND UPDATED!! BUY NOW

Updated the method and added some fixes as well, its up for sale and I fixed all the broken links as well. The leaked version contains an outdated method not written by me and is simply an impersonation, it does not include this method.

(Apr 26, 2015 10:18 AM)Tick Wrote: [\[CITE\]](#)

Best eBook out! Thanks man!

(Dec 28, 2014 06:52 AM)Tenno Wrote: [\[CITE\]](#) Hello, my name is Tenno. The OP sent me a vouch copy for a review

Grammar

There is a few grammar mistakes but they are understandable. None of the grammar mistakes are big and should not cause a problem understanding when reading through the e-book

7/10

Layout

The layout is decent. Its readable, but it doesn't really look pretty, but its very easy to read and understand. It should not be a problem reading the e-book with this layout.

6/10

Originality

I have seen some methods with the same concept. The method is unique. The OP explains the method good and also gives a few examples. There is not much work you have to do to get what you want.

8/10

Overall

This e-book is overall a very nice e-book. It is short but gives you detailed information on just a few pages. If you want to get free ranks and get OP on servers, this is the way to go!

9/10

MobSnipe's Review

To begin with, I would like everyone to know that I am in no way affiliated with this seller or have been paid to leave this review. This is 100% honest and is coming straight from me personally!

Grammar ?????

The grammar in this E-book is absolutely amazing. It doesn't have high vocabulary, but I can assure you there are no spelling errors or grammar mistakes that I have seen.

Ease of Use ?????

Now this can be difficult for some user's but for me it was easy. As long as you know how to work a simple computer, you should be having donor ranks and possibly OP on any server you feel like you would like! For the people who dont know how to set it up, he has given us a youtube link that shows a wonderful tutorial on how to get it all set up!

Layout ?????

The layout of this e-Book is good, but I feel like some of the colors used here and the lack of pictures explaining on what we should do could be put on there (even though we don't really need the pictures, still could've been a huge help to the newbies). My personal opinion is to delete some of the colors and put some pictures explaining on what we should do! ?

Originality ?????

The originality of this method is so well constructed. (Like he stated, this is 100% legal and will NOT get you banned, unless the staff just hate you ?. I have yet to see this method anywhere, and my sources are here and the minecraft community itself.

Summery ?????

This method i recommend for anyone who is wanting to get a upper-hand on raiding you're enemies faction base or just taking all there money away from there balance! This method is only \$5 so what are you waiting for? Even if this method is not for you, its \$5. What is that going to hurt your hard earned cash? This method has been tried out by me and has gotten me 1 raid so far by the ability to just get into there account and tp'ing myself into there f home ?. What are you waiting for? Go get yourself a copy?!

(Jul 4, 2017 07:02 AM)Rock™ Wrote: [\[CITE\]](#) Honest review as I just purchased:

Layout and Colors 5/10

Everything is so wierd for my eyes. The colors are wack in my opinion.

Method 7.5/10

Reason for the 7.5 and not 8 is the fact that it only works on certain servers. You have to do something that might not work with bigger server admins but most likely with small ones.

Originality 8/10

Seen something similar, but never this.

Overall 8/10

It's a good buyAND TENS OF MORE VOUCHES

Click anywhere on the thread design to purchase.

Disclaimer: I am not responsible for any illegal actions taken using this method as this is to educate most server owners about security and most importantly, the people who play on minecraft servers so they are aware of the issues in the system.

Policy:

Any chargeback will be reported, and investigated I can deny selling to you for any or no reason at all.

Deal disputes shall be made if you do. If you already knew a part of the method or a similar but not the same method no refund shall be provided as this is one I have created myself, it has been leaked before but this is the original version being sold from almost 4 years ago.

Zivex - December 28, 2014, 5:03 am

Can I take one of them vouch copies please? I would like to try this out and see if it works for myself.

Tenno - December 28, 2014, 5:15 am

PM'ed you about this, looking forward for your reply.

B?ng - December 28, 2014, 5:19 am

Hell ill take a vouch copy, hmu man look forward to it.

Purest. - December 28, 2014, 5:36 am

All Vouch copies are given out! Will wait for their reviews.

Zivex - December 28, 2014, 5:36 am

I have received a vouch copy from, onsali20. The method he has used in his Ebook could work but the chance of you actually getting onto their account is very little. If the victim has verified their account with their own email, the method would be pretty hard to complete and the chance of you getting their account again would be very little chance.

Good luck with sales OP.

Nutar - April 23, 2015, 11:51 am

Can this potentially get me OP on big servers? Or maybe just donor in big servers? I'm really curious.

Also, is this a loophole in the actual server "technical" side, or just creating fake proof in a way or other?

Can you also prove how I can get access to any account?

Purest. - April 23, 2015, 12:08 pm

(Apr 23, 2015 11:51 AM)Calypo Wrote: [\[CITE\]](#) Can this potentially get me OP on big servers? Or maybe just donor in big servers? I'm really curious.

Works for premium too, but not that well hmm 75% chance on premium servers

flux.society - April 23, 2015, 1:18 pm

(Apr 23, 2015 01:10 PM)Purest. Wrote: [\[CITE\]](#) Works for premium too, but not that well hmm 75% chance on premium servers

Hmm.. earlier in the thread someone said:

Quote: The method he has used in his Ebook could work but the chance of you actually getting onto their account is very little. If the victim has verified their account with their own email, the method would be pretty hard to complete and the chance of you getting their account again would be very little chance.

To which you replied:

Quote: This could work on premium servers too if you are lucky enough!

Which leads me to believe you have to be really lucky. So "75%" is stretching a little bit. I may buy for the hell of it because of curiosity, but not sure.

Edit:

After buying, I honestly don't see this working very well. Maybe if your target is 9 and falls for anything, but the chances of you getting an account with donor/OP is pretty low.

Purest. - April 24, 2015, 1:15 am

05317832892 - June 6, 2015, 1:11 pm

Ok just saying I haven't got this ebook but everything is screaming public method.

Your using wolfram, a public client.
Only works on cracked servers for definite.
Has something to do with admin's accounts.

This is screaming at me, there are two ways I know that this could work.

1) Uses the command book, you just put /op yourname in the book exploit, give it to an admin. They open it and boom your op.

Or

2) Login to the admins account without knowing his password because its a cracked server. You use a simple login verification bypass to bypass the password in-game thingy.

If it is either of these methods then they are loooong public. If not then gl with sales.

Purest. - June 7, 2015, 4:05 am

(Jun 6, 2015 01:11 PM)?Cam? Wrote: [\[CITE\]](#) Ok just saying I haven't got this ebook but everything is screaming public method.

Your using wolfram, a public client.
Only works on cracked servers for definite.
Has something to do with admin's accounts.

This is screaming at me, there are two ways I know that this could work.

1) Uses the command book, you just put /op yourname in the book exploit, give it to an admin. They open it and boom your op.

Or

2) Login to the admins account without knowing his password because its a cracked server. You use a simple login verification bypass to bypass the password in-game thingy.

If it is either of these methods then they are loooong public. If not then gl with sales.
:p As I said, none of these, Nice try though if you want a proof without wolfram I can but that method is good but saturated and owenrs arent that dumb.

If a staff needs proof I will happily provide them with the ebook.

Purest. - June 8, 2015, 10:38 am

Need to crack servers. This is your ebook

Purest. - June 12, 2015, 10:45 am

Ebook is up for sales today,
Method still works as of today.

SIM-1729678 - June 12, 2015, 10:46 am

If proof can be shown I will buy this.
Is this for ANY server?

Purest. - June 13, 2015, 12:49 am

(Jun 12, 2015 10:46 AM)ScreemS Wrote: [\[CITE\]](#) If proof can be shown I will buy this.
Is this for ANY server?
Isn't there already enough proof on the thread?
Not for all, mostly cracked servers. message me your skype if u need it
\$5 seems like a giveaway bro.

SIM-1729678 - June 14, 2015, 4:50 am

Vouch for this method! got me a donator rank.

Purest. - June 15, 2015, 7:47 am

(Jun 14, 2015 04:50 AM)ScreemS Wrote: [\[CITE\]](#) Vouch for this method! got me a donator rank.
Thanks for your vouch mate means alot!

Purest. - June 16, 2015, 11:42 am

Blp.
Sales are blooming this summer!

Purest. - June 17, 2015, 12:24 pm

Ramadan Kareem to you all!!
Buy this ebook xD

?FettyWap - June 20, 2015, 11:26 am

VOUCH FOR THIS SERVICE! He made me a BOSS sig!

Purest. - June 22, 2015, 9:18 am

(Jun 20, 2015 11:26 AM)?Sonic Wrote: [\[CITE\]](#) VOUCH FOR THIS SERVICE! He made me a BOSS sig!

You mightve vouched on wrong thread bro.

Thanks anyways!

Purest. - July 2, 2015, 11:50 am

Been days since I updated this, guys get it now!!

Purest. - July 9, 2015, 2:52 pm

Summer season is the best time to grief mc servers so get this ebook :p

Purest. - July 12, 2015, 8:05 am

Summer time!, get geared up with these hacks!

Purest. - July 18, 2015, 1:55 pm

Eid Minecraft greifing seems a lot of fun!!

So do it xD

Purest. - July 20, 2015, 12:11 pm

Eid is over... but the fun just began!

Time to get hacking with this ebook!

Purest. - August 16, 2015, 7:24 am

Muhaha, feeling evil get this ebook and bam, them servers up!!!!

Purest. - August 22, 2015, 10:40 am

Gonna get this ebook up for sales again! Get your copies now!!!

North Carolina - August 23, 2015, 4:56 pm

(Dec 28, 2014 06:46 AM)Purest. Wrote: [\[CITE\]](#) Yes, the method I told here will only work on CRACKED servers you seem to have forgotten that point. It will work 100% on cracked servers. This could work on premium servers too if you are lucky enough!

At least list "Chances are higher with cracked servers" in the thread so people know :)

Stonelsland - August 23, 2015, 5:03 pm

Really? Rankup on every server?

Osuka - August 23, 2015, 5:09 pm

this better not involve SE the owner or some sort of shit i except to read this and boom i got my rank without talking to staff or opening a ticket ;)

dogsmix - August 23, 2015, 5:26 pm

Does this involve making a fake server and getting them to login so you can get OP?

Purest. - August 23, 2015, 11:38 pm

(Aug 23, 2015 05:09 PM)Mirai Wrote: [\[CITE\]](#) this better not involve SE the owner or some sort of shit i except to read this and boom i got my rank without talking to staff or opening a ticket ;)

... I'm just tired to explaining this over and over again... damn

Purest. - September 10, 2015, 9:48 am

Chop Chop Boys! You are missing on a great offer!

Purest. - September 13, 2015, 10:00 am

Boom! Headshot them moderyucking server owners!

<https://www.youtube.com/watch?v=7j6rKUnszpl>

Purest. - September 15, 2015, 11:43 am

Method up to date still works like a charm.

Pulse` - September 19, 2015, 4:26 am

Vouch for Purest, sold him CS:GO skins and the deal was smooth & simple.

GLWS.

Purest. - December 14, 2015, 10:42 am

I totally forgot about this ebook , still selling it tho :D

Purest. - January 2, 2016, 4:09 am

Want to troll those servers?

Or hack them skids?

This ebook is for you!

Purest. - February 20, 2016, 6:16 am

This is still working!

Guys dont missout this chance

Tiwin - February 26, 2016, 11:32 pm

Could you add me on skype ? I have questions

My skype: max.tiwin

Coen - February 27, 2016, 2:12 am

Is it the method where you get a hack client and change your tag to something else or you photoshop the tag, then you post a thing with rank lost? Or is it involving name change?

If not ill buy it

Purest. - February 27, 2016, 4:04 am

(Feb 27, 2016 03:12 AM)SwigSwag Wrote: [\[CITE\]](#) Is it the method where you get a hack client and change your tag to something else or you photoshop the tag, then you post a thing with rank lost? Or is it involving name change?

GG123 - February 27, 2016, 4:19 am

Amazing E-book even though its been 2 years, still very promising. Good work OP

Purest. - February 27, 2016, 4:35 am

(Feb 27, 2016 05:19 AM)GG123 Wrote: [\[CITE\]](#) Amazing E-book even though its been 2 years, still very promising. Good work OP

Thanks man,ppreciateit!

Purest. - March 1, 2016, 8:51 am

Guys, this method is still working and legit.

Purest. - March 6, 2016, 4:00 am

Reported by one of the users as still working !!
-Confirmed by me

Shimakaze - March 6, 2016, 5:42 am

Does it involve paying for anything else or social engineering

MobSnipe - March 8, 2016, 7:40 pm

MobSnipe's Review

To begin with, I would like everyone to know that I am in no way affiliated with this seller or have been paid to leave this review. This is 100% honest and is coming straight from me personally!

Grammar ?????

The grammar in this E-book is absolutely amazing. It doesn't have high vocabulary, but I can assure you there are no spelling errors or grammar mistakes that I have seen.

Ease of Use ?????

Now this can be difficult for some user's but for me it was easy. As long as you know how to work a simple computer, you should be having donor ranks and possibly OP on any server you feel like you would like! For the people who don't know how to set it up, he has given us a youtube link that shows a wonderful tutorial on how to get it all set up!

Layout ?????

The layout of this e-Book is good, but I feel like some of the colors used here and the lack of pictures explaining on what we should do could be put on there (even though we don't really need the pictures, still could've been a huge help to the newbies). My personal opinion is to delete some of the colors and put some pictures explaining on what we should do! ?

Originality ?????

The originality of this method is so well constructed. (Like he stated, this is 100% legal and will NOT get you banned, unless the staff just hate you ?. I have yet to see this method anywhere, and my sources are here and the minecraft community itself.

Summary ?????

This method i recommend for anyone who is wanting to get a upper-hand on raiding you're enemies faction base or just taking all there money away from there balance! This method is only \$5 so what are you waiting for? Even if this method is not for you, its \$5. What is that going to hurt your hard earned cash? This method has been tried out by me and has gotten me 1 raid so far by the ability to just get into there account and tp'ing myself into there f home ?. What are you waiting for? Go get yourself a copy?!

Purest. - March 11, 2016, 11:05 am

The price has been incremented to 25\$ as this ebook is not worth giving out for \$5 and alot of lq users are trying to buy and leak it.

Purest. - March 13, 2016, 6:38 am

Guys this is still for sale, and the method works, confirmed.

Purest. - March 14, 2016, 8:18 am

I'm still selling this, so be sure to buy it before I don't.

Purest. - March 21, 2016, 10:56 pm

111 posts!!!

Buy this ebook while you can!, its method still works like a charm and its truly not worth missing by anyone who is interested in hacking mc accounts or getting ranks on servers and the sort.

Telstra - March 22, 2016, 9:49 am

Looks like a good eBook for any MC players, will be purchasing later!

Benoit balls - March 22, 2016, 10:17 am

Vouch for Purest!

He is HQ.

Varane - March 22, 2016, 10:20 am

I wanted to grab this method but the fact it is an e-book has left me uninterested.

Lenchmob - March 23, 2016, 8:32 am

Does this involve Ewhoring/SEing?

Purest. - March 23, 2016, 9:02 am

(Mar 23, 2016 08:32 AM)Lenchmob Wrote: [\[CITE\]](#) Does this involve Ewhoring/SEing?
No ewhoring, good idea though.

Purest. - April 19, 2017, 9:57 am

Will be making some major changes soon, stay tuned.

DarkHead34 - April 20, 2017, 5:43 am

So what is the method about? Gaining an access to the server's files and griefing?

Purest. - April 22, 2017, 11:07 am

(Apr 20, 2017 05:43 AM)DarkHead34 Wrote: [\[CITE\]](#) So what is the method about? Gaining an access to the server's files and griefing?

Not exactly, you can grief but this is more focused on in-game not on backend

DarkHead34 - April 22, 2017, 9:41 pm

I bought the the eBook, I can't believe that you sell this method for 20\$, it should be 15\$ and not more and I have added you to Skype, please accept.

Purest. - April 22, 2017, 9:50 pm

(Apr 22, 2017 09:41 PM)DarkHead34 Wrote: [\[CITE\]](#) I bought the the eBook, I can't believe that you sell this method for 20\$, it should be 10\$ and not more because I knew a part of the method (the method is pretty public but the ways and guide aren't) and I have added you to Skype, please accept.

I shall be refunding 10 if you can give me this method, not leaked one.

DarkHead34 - April 22, 2017, 9:57 pm

(Apr 22, 2017 09:50 PM)Purest. Wrote: [\[CITE\]](#) I shall be refunding 10 if you can give me this method, not leaked one.

Accept me on skype and I will show you.

Purest. - April 22, 2017, 11:35 pm

(Apr 22, 2017 09:57 PM)DarkHead34 Wrote: [\[CITE\]](#) Accept me on skype and I will show you. I have, please communicate via there or PM.

DarkHead34 - April 23, 2017, 12:18 am

After all, this method isn't bad. This method is pretty good but it will take a bit time. If you wanna buy it go for it! ?

Purest. - April 24, 2017, 11:10 am

Going to start selling this again now, limited copies only for now!!

Purest. - June 10, 2017, 12:18 pm

Updated the sales page with a little more terms on the ethics, be sure to check it out

Mitch - June 10, 2017, 4:46 pm

Just purchased. It is well written, but I have seen this method out there before. Other than that everything about this ebook seems legit

Purest. - June 11, 2017, 11:52 am

(Jun 10, 2017 04:46 PM)Motch Wrote: [\[CITE\]](#) Just purchased. It is well written, but I have seen this method out there before. Other than that everything about this ebook seems legit

Thanks for the honest review, it is a common misconception, you can always contact for support ?

Purest. - June 19, 2017, 9:40 am

UPDATE: Just added a few more copies to sell, go grab yours before they run out!

Purest. - June 23, 2017, 11:49 am

Stock is depleting, next batch will have updates

P.S: All updates will be sent out to buyers via email.

Purest. - June 28, 2017, 2:09 pm

Removed some outdated information from ebook, you should get an email buyers.

Rock™ - July 4, 2017, 7:02 am

Honest review as I just purchased:

Layout and Colors 5/10

Everything is so wierd for my eyes. The colors are wack in my opinion.

Method 7.5/10

Reason for the 7.5 and not 8 is the fact that it only works on certain servers. You have to do something that might not work with bigger server admins but most likely with small ones.

Originality 8/10

Seen something similar, but never this.

Overall 8/10

It's a good buy

Purest. - July 5, 2017, 11:18 am

Thanks for the really amazing review, I appreciate you being honest, I do need to work on the layout then.

Purest. - August 6, 2017, 8:15 am

Updated a few broken links, thats about it, the method is still legit af!

Purest. - November 1, 2017, 7:13 am

Updated some graphics of the ebook, its still up for sale!

Purest. - November 24, 2017, 8:09 am

I was forced to roll out some new updates in the pdf due to the rocketr service terms, the method is as hq as always :)

Purest. - December 20, 2017, 9:08 am

Bringing this ebook up after a long time, still up for sale! Method is rock solid.

Purest. - January 14, 2018, 8:18 am

Removing some information due to one of the plugins being discontinued, however I have linked an alternative and if you still have difficulties you can always reach me on skype!

Dan129 - January 15, 2018, 8:29 am

at this point id be very surprised if this works

Purest. - January 17, 2018, 10:46 am

(Jan 15, 2018 09:29 AM)Dan129 Wrote: [CITE](#) at this point id be very surprised if this works
Well, it does and if the attacker reads the ebook carefully it will be more than easy to execute.

SIM-1729678 - January 17, 2018, 10:49 am

Is this the method where you get them to join your server that has a login system so they fill in the details?

Purest. - January 20, 2018, 7:06 am

(Jan 17, 2018 11:49 AM)ScreemS Wrote: [CITE](#) Is this the method where you get them to join your server that has a login system so they fill in the details?

Sorry, all the information I'm willing to disclose publicly is listed on the thread itself.

Purest. - February 13, 2018, 9:22 am

Updated some tool links as it is becoming harder to find it however I have offline copies so no need to worry for my buyers,
Enjoy!

Purest. - February 27, 2018, 5:42 am

Update: Making only limited stock available for now since not many people play minecraft anymore, but the method still is gold!

bustharmods - February 28, 2018, 8:50 am

This does look quite nice, gl with sales dude!

Purest. - February 28, 2018, 11:13 am

(Feb 28, 2018 09:50 AM)bustharmods Wrote: [\[CITE\]](#) This does look quite nice, gl with sales dude!
It sure is, thanks for the kind words :)

Aussie - October 27, 2018, 1:52 am

lemme guess,

this involves setting up a premium server, using AuthMe/xAuth/some crappy auth plugin and expecting users to register the same mc pass as their /register <pass>... and then hoping they donated on other servers by googling their involvement in other mc communities?]

if i'm right it's cos you pretty much just gave it all away in the thread description.

Kay1997 - November 2, 2018, 1:24 pm

Rip feel bad for you man. Hate it when people make sales threads for crappy oversold and saturated methods all for the sake of a few dollars.

INML - November 21, 2018, 12:51 pm

Shit method 2/10, 10\$ in the trash. You are lucky i don't litige
