Still waiting for your service for a thread design are you available?

+One - January 14, 2015, 3:58 am

I just finished exam, and I am ready to work slowly but safe this week. Thanks for everyone's patience. I will start taking orders from now, this service is also only limited because it's so cheap. Will update to a new thread design in 2 weeks and prices also in 2 weeks.

HackRain - January 14, 2015, 5:06 am

Hey mate.

I've got some work that needs to be done.
Custom thread + custom SIG.

I'm happy to throw in a few extra dollars.

Id appreciate if you could give me a hand.
Thanks.

Vouch. Made a great sig at a great price!

Penetration.Tester - January 16, 2015, 6:59 pm

Hey I'm not sure if you do this, but figured I might as well ask, are you capable of photoshopping something realistic, like not a sig, but for example a car into a parking lot? I need about 10 different photos photoshopped, and I am willing to pay more than your \$2 per pic request! :) Please let me know soon! If I like your work, you have a constant customer! I'll watch for your PM!
