Thread: [3k Partnered & Sponsored YouTube channel for sale. All active subs.](#)

SIM-1908883 - December 28, 2014, 10:50 am

I am selling a YouTube channel which has 3k active subscribers.

Reason for sale is because I am doing my A Levels and haven't been able to upload for months due to me being caught up in coursework & other things going on in my life.

The videos that were originally uploaded on the channel were Gaming Videos.

When I was actively uploading, the daily views amounted to around 3/4k

The overall views was around 400k but I have deleted quite a lot of the old videos that I felt weren't up to standard.

This channel is partnered by RPM (Maker Studios) and has earned me around £400 just in a few months when I was uploading nearly every day (when I only had around 2,000 subscribers)

I can change the PayPal email that the money is paid into or I can even change it to your home address so you have the money sent to you. This channel has the potential to earn a lot in the future so I am sad that I have to let it go.

As well as being partnered this channel is also sponsored by "FifaCointrader.com" which is a very big & well known FIFA coin selling website.

It currently has 3,002 subscribers, which will easily grow when you upload.

On average my videos probably get around 15,000 views now. With some going up to 50,000.

It also has quite a lot of videos unlisted which I will keep there for if you wanted to upload them or download them to get an intro off them.

It comes with an avatar and also a nice channel Banner.

I can also provide several other channel banners if you wish.

If you would like I can also get it shouted out in my friend "BlackopsAmazing"'s video & sub boxed for when you start (he has 90,000+ active subscribers).

PM me if you're interested & I'll also provide the link in the PM.

There is no set price on this channel, which means you can offer however much you'd like.

I understand if anybody is hesitant about buying this channel as I barely have any posts, that's why the deal will only be done on this site to avoid any scamming & all picture proof will be provided through the HF PM's.

Thanks for your time & I look forward to hearing from you.

You may also want to include the video genre you were uploading, i.e. gaming.

Reason is because they buyer will likely have an interest in the same thing and be able to upload relevant videos.

Regardless, good luck with sales OP

I am definitely interested in this!

What is the genre of videos the channel uploads?

Maybe include a link to see the actual channel?

PM me!
