I've been waiting patiently ever since it was announced that Accel World S2 wasn't live yet due to Sunrise being busy with Love Live, has the new season even been live yet or not even that?

Jesus christ I want AW S2 already

Yea it's on my top 5, It was my first favorite anime, it went down after Steins Gate Mirai Nikki and S&W but I'm rewatching it right now and might have to boost it up again

Have you seen Akame Ga Kill or Kyoukai no Kanata?

Kyoukai no Kanata has one of the best endings I've ever seen. It's so good

I have watched both seasons of Love Live and I say it's a good series overall.

Not only did it have great music, but it also had a good mixture of drama and comedy.

I would recommend it to anyone who likes music and/or idol anime.
