Thread: [2 L0ckerz accounts for sale 4406PTZ and 2500PTZ](#)

Vanity - June 5, 2010, 1:16 am

I'm selling 2 L0ckerz accounts as the thread title says~

Oh and they're both Z-list accounts to get double points for everything if that's even worth anything ;O.

Account 1: 4406 PTZ - \$40

Spoiler ([Click to View](#))

Account 2: 2500 PTZ - \$20

Spoiler ([Click to View](#))

Account 1 + 2: \$50

[May Redemption Prize List](#)

I know it's difficult to get in during redemption but if you're willing to stalk the times, 3800 PTZ for an iPad is ridiculously cheap.

Accepting PayPal and possibly AlertPay if I remember my password.

Individual prices negotiable.

Add me on MSN (xe.royel@gmail.com) or post here if you're interested.

There appears to be a June redemption after June 19th. Get your account now~

Lol 40\$ for a spam account? Max u'll probably get is 20\$

Vanity - June 5, 2010, 1:20 am

Hmm.. I guess I'm not in that much of a hurry to get it sold, also since there aren't many 4k+ PTZ accounts on the market.

Questoins (please pm me the answers)

If i buy the account and change adress etc...

do i get the item or do they ban me or something?

is the accs legal?

can i buy stuffs with it?

Does shipping cost?

is it your or stolen?

thanks

Vanity - June 5, 2010, 2:42 am

Account isn't mine, only about 100PTZ are obtained by me.

You can buy things from the account in the "Shop" section, the delivery in the "Shop" function only delivers to the US and has a \$10 delivery charge. (I think it's \$10)

I can't buy from Shop because i'm in Australia, however the redemption feature is free and has NO delivery cost and DOES ships all around the world. Only problem with redemption is that you have to be there pretty early, or get some program to SMS you when the redemption is going on.

I highly doubt they will ban you, l0ckerz has no recovery function and currently it's listed to my house address and my email. I even changed all the passwords and addresses twice to actually have a record just in case.

Every single detail can be changed when anyone buys these accounts.

dirtyouth561 - June 5, 2010, 4:06 pm

dangg i might have bought the 4k, but thats a little to pricey.

Hide_My_Ass - June 5, 2010, 4:07 pm

HHAHAHA You prices are too expensive man mine has 2k and I wont sell over \$10 hehe

Vanity - June 5, 2010, 8:34 pm

Haha, 4k accounts are much more difficult to find than 2k~ there are only 500~ videos on l0ckrz atm, so if it's not a z-list account, watching all videos = 1k ptz, 2k ptz for z-listers, the extra 2k+ ptz will be from inviting friends/buying things from shop, which is the difficult and pricey part.

just offer if you think you have a price i will accept, currently got one for \$40 for both.

Vanity - June 5, 2010, 9:54 pm

BUMPwump, still selling!!

Dream Chaser - June 5, 2010, 10:35 pm
