Thread: [Referral Program - Who would be interested? \[\\$1000+ a month\]](#)

?erenity - December 30, 2014, 2:48 pm

Hey HF,

I'm thinking about starting up a Referral Program, but I'm not sure who would be interested.

I've made a bit of money working off and on for the past 2 years.

Recent Earnings:

Would anyone be interested in this program? The more you invest, the more profit you would make. I've made ~\$20k so far.

Kind Regards,
Flame.

99% of it is profit, and autopilot after everything is setup.

Haven't started the program yet.

To all else interested: keep an eye out for a later date. I'm trying a new method for something that could bank even harder.

Interested. Feel free to pm me with all of the details.

?erenity - January 1, 2015, 9:30 pm

For people interested, please have \$1k+ and be ready to work. Once everything is setup, your earnings will be autopilot.

Payments will be weekly. The more you invest, the more you can scale it up.

Yes. I'm not looking for low-earners that would only make ~\$5/day.

I hope you see where I'm coming from here. \$1k isn't that much - especially when people are making \$10k/day with the same methods I'm doing, just scaled up greatly.

Chief Mark - January 2, 2015, 12:30 pm

Im interested aswell gimme some info.

Happy new year :)

Thanks,

W00dL3cs - January 3, 2015, 3:27 am

Me and my friend are discussing about investing 500\$ each, but I would like to receive a little bit more informations about what gonna happen once we put the money in this project... as we are just university students, and with that money we usually pay our monthly rent for our room :@

K I T - January 4, 2015, 3:52 pm

I'm still interested but would like some more info before throwing 1k out there. ^-^

qwertzu - January 5, 2015, 10:56 am

I've money to invest and willing to work hard. Gonna send you my skype. Add me if you decide to work with me, you'll not be disappointed

dirtboy123 - January 5, 2015, 3:08 pm

Hello

I am very interested and would love to invest and work hard in this program. Could you let me know more information?

Thanks!

I would be fine with the initial 1k investment after I hear a little more information, can i get your skype? If it sounds good and I see results, I have more than enough money to invest way more than the initial if needed.

?erenity - January 5, 2015, 4:28 pm

I haven't started my official program yet.

Look forward to a future thread where I will include much more information.
