Your thread is not made by you and you're accused for using other people's work in your portfolio, how do you expect to get more sales?

He paid me to make his Avatar, Thread Design, as well as his Signature. Yet he's a GFX designer that is trying to sell that kind of service. (facepalm)

GREENSKULL - January 10, 2015, 10:45 pm

Arelance im loving your new service love your sig and new avatar keep up the good work also im not selling that type of service you arent really understanding what i mean hope you do well Thanks !

New Thread Design :P Finally uploaded currently working on a new signature (;
