Vouch Copies: 2/3

PM | Skype: Sippinsyruuup

ToS:

- 1) You will not, for any reason, release or resell my guide to anyone, for any reason ever.
- 2) Only [3] vouch copies will be released to those who have high reputation that I deem worthy.
- 3) I reserve the right to change the price.
- 4) I reserve the right to change ToS.
- 5) You agree to these ToS by purchasing my ebook.

(Jan 2, 2015 09:25 AM)JakeFPS Wrote: [\[CITE\]](#) I was fortunately lucky enough to receive a vouch copy for this eBook from OP.

After reading through this eBook I only notice small grammatical errors that are barely noticeable. When I was reading I only noticed them cause I had to stop and re read those parts with those cause I got confused. But overall everything seemed very neat to me.

As far as ease of use this method is extremely easy to do. It might take a while to get setup and get everything going exactly perfect to get to making that big money but you will eventually get to that point if you follow all the steps in this eBook.

As far as the steps go in the eBook they are written in pretty good detail and there are lots of screenshots included within the eBook so you can see exactly what to do or if you are doing something wrong how it should be done.

The layout of the eBook is like any other eBook you would expect. It doesn't have any fancy title page with a big logo for the eBook or anything like that. But to be honest who really cares about that. Everyone cares about the content within the eBook and how the method actually works.

My final thoughts on this eBook is that the method to gain traffic written in detail in it is pretty easy to do. The support from OP is great! I already have been asking multiple questions on skype and he has been responding to me very fast. Overall you definitely will earn from this method if you follow all the steps correctly to get the traffic and then also once you get the traffic to monetize from it.

This is a great eBook OP has written for us all! If you are thinking of buying it buy it now it is very HQ and a good way to earn money that actually works!

And thanks again Op for letting me review this for you.

Aurora - January 1, 2015, 9:31 am

Music cut off early in your video. ?

But I have to say, this looks interesting. Good luck with sales!

Hire - January 1, 2015, 10:22 am

If you are still interested in giving out Vouch Copies, and you deem me trusted enough to take one, i would love to make a detailed review.

Thank you.

(Jan 1, 2015 02:54 PM)restl3ss Wrote: [\[CITE\]](#) Can I get a vouch copy for reviewing?ThanksI messaged you a few hours ago but no response.

I've got vouch copies to give out!

Griev?us - January 2, 2015, 5:32 am

Can I see proof of earnings?

Thanks.

Jake Johnson - January 2, 2015, 6:16 am

If there are any vouch copies available and you deem me worthy enough to have one I will leave a review for you on your thread once I have thoroughly read through the eBook.

I also added you on skype too if it would be easier to send over there if you decide to idk.

Thanks for the HQ review. I'll be on Skype for any future questions.

Still have two vouch copies to those who feel like writing a HQ review!

Damage Inc. - *January 8, 2015, 11:14 am*

Closed due to change of mind of releasing such a method to the public.
