He even posted last week that he can't update this anymore because it's simply too much now, and he has to re-update the rank of people of before.

I'm gonna be real with you fam not many people are religiously playing LoL on HF, I only know a handful of actual players so I recommend you just check the discords or whatever if you wanna find duos.

Zhayn - July 13, 2017, 2:56 am

LoL Ex-Player here.

On my best days, I used to be #40 Best Shen, #115 Udyr.

I wish ya the best, guys.
