Koufuku Graffiti
Happy Cooking Graffiti

Description courtesy of ANN

The story follows Ryou, a middle school girl who lives by herself. She has a knack for cooking and makes friendships with everyone through her food. The cooking manga is "full of detailed cuisine art to whet the appetite and slightly erotic meal scenes." The "koufuku" in the title is a wordplay on two Japanese homonyms—one which means "happiness," and another that means "appetite."

Akiyuki Shinbo will be chief director. Nisekoi's Naoyuki Tatsuwa is directing with the prolific and versatile Mari Okada writing series composition. Frequent Shaft animation director Kazuya Shiotsuki will be doing character designs.

Koufuku Graffiti is being produced by Shaft, one of the best studios out there when it comes to anime. Shaft imo is unmatched when it comes to visuals and I have high expectations for this anime. Hopefully we won't see another Mekakucity Actors. The first episode is slated to air Jan. 9, four days from now.

And please, for the sake of people that have yet to watch it, use spoiler tags.

Hopefully this doesn't end up as bad as Mekaku Shitty Actors. But hey, I get cooking, and SHAFT?

Beat me to it. ? Can't wait for this to start airing.

iMew - January 5, 2015, 1:10 am

Not sure how I feel about Shaft producing a cooking anime. I'll wait for it to finish before judging it though.

Lyralei - January 5, 2015, 5:18 am

If it has a storyline similar of what i think it is then i'll prob insta fave this :)

Dragon. - January 5, 2015, 8:46 pm

Oooh. I'm going to pick this up since it's made by my favorite studio ever--Shaft.

Nine - January 5, 2015, 9:09 pm

Not usually something I watch, but gonna pick this up as well. From the studio which makes the Monogatari series? Should be good.

This anime could be complete shit and I would still watch it for Ryou. So cute.

Couldn't have said it better myself.

Was decent, not sure if I'm going to finish it though.

Nine - January 9, 2015, 8:00 pm

Wasn't a bad episode, but did feel pretty boring. Food porn is top tier.

Ang?I - January 16, 2015, 3:51 pm

Episode two is out on masterani.me, will be released on CR tomorrow.

So many head tilts in one episode.

Maybe Ryo will make me a bento one of these days.

Nine - January 16, 2015, 10:24 pm

Was a pretty good episode. I enjoyed it.

Lyrlei - January 16, 2015, 10:35 pm

Pretty good so far, but i don't think this will go very far =c

Nine - January 23, 2015, 2:59 pm

More head tilts in episode 3.

Pretty good episode just like the last one. Was enjoyable.

Episode 7 was nice. The scene where Kirin and Shiina were washing the dishes was pretty funny.
Kirin is useless.
