First episode was released earlier. Just finished it myself right now and it was really good. Gonna be my favorite anime this season without a doubt.

Would have been better if Mayumi was on the side of the van. ?

It's a bit too expensive to randomly buy, the company that the anime modeled it after is a decently high end maker; spyderco.

Pillows - January 15, 2015, 4:53 pm

Can someone explain to me why the characters are allowed to say the names of certain animes/manga while other animes have to mix up the names a little?

Orochimaru - January 15, 2015, 7:11 pm

I've been waiting for this for so long ahhhhh i can't wait.

HF User - January 15, 2015, 10:18 pm

I mean, this is has been one my favorite series since 2012.

I just can't stand the fandom. At first, I thought it was cool.

Like, I'd go on the BBS and even the chats.

However, those kids are super fucking weird.

Like, holy fuck you're going to rape someone weird.

Anyway, I owned a drrr-like-chat. It was pretty popular for awhile. I only recently stopped it.
Anyone interested in making an invite only bbs like seen in the anime for the dollars?
Hmu if you do.

But yeah, season 2 is going to be awesome.

Chips Ahoy McCoy - January 15, 2015, 11:35 pm

I can't wait until Saturday. This show is just way to great man.

Nine - January 17, 2015, 10:39 am

The pace so far seems its gonna be like the first half of Durarara S1. Pretty slow, but gets good in the second half. I did like today's episode though. Introduced some new characters.

Chips Ahoy McCoy - January 17, 2015, 8:52 pm

Have I ever mentioned how amazing this ED is? Because it's amazing.
Loved this weeks episode. Izayas sisters <3.

Episode 3 was pretty good, even though they're barely has been any action yet. So far they are still introducing the new characters which is still fine. It's just building up the suspense.

Also, another kiss between Izaya's sisters. :)

Celty is such a tsundere.

Some new characters introduced in episode 5. Leader of the biker gang, some girl trying to kill Shizuo and a blonde woman on a bike. The suspense is continuing to build up.

Professor Pantsu - July 15, 2015, 12:44 am

Bumping this because I just caught up with the second season. Masaomi needs to man the fuck up and just talk to Mikado again. And honestly I use to hate Izaya but he really ended up growing on me for some reason. He's up there with the 2 anime nerds in the van for my favorite characters. I really want to see more of those two sisters, haven't seen them do shit since the beginning of the season.

Yeah, I also really liked how they were able to incorporate a supernatural aspect without taking away from the realism and plot of the series.
