Id like the chance to win, here's my entry.

http://www.amazon.com/gp/aw/d/B005UAI372/ref=mp_s_a_1_1?qid=1420605108&sr=8-1&dpPl=1&dpID=41n40tgSmhL&ref=plSrch&pi=AC_SY200_QL40

Not using a wish list because my name will be attached.

I think I deserve it because I've contributed to the forums as much as I can, through my donations (awards), giveaways, such as upgrading two members, giving away some money and XBL, Netflix, etc, and because it's for charging my vape batteries, which helps keep me off cigarettes :)

Fascinate - January 6, 2015, 8:49 pm

I would like a item that costs \$24.64 let me know.if I win so I can pm you it.

Thanks for hosting this contest! Best of luck to everybody.

Here's my wishlist:

<http://amzn.com/w/3920BCAAU7MI7>

It's nothing too fancy; just a bag of grain. I need it to continue my ventures in mycology. I'd get it myself, but I've already invested \$100s more than I should of. Other members deserve to win this a lot more than I do, but I could really use this. I've lost all income temporarily, and on top of that, my cars motor just went to shit (cracked head). I've got everything I need, but this; and this small bag of grain can really take me a long ways.
