Characters:

Mio Naruse

Spoiler ([Click to View](#))

Mio is a beautiful young girl of average height, with long waist-length red hair and violet eyes. She is noted for having a distinctly voluptuous body for someone her age. Mio has been seen wearing a number of outfits throughout the series, with several casual attires at home that are usually form-fitting or revealing, as well as a uniform for attending school. After forming a contract with Basara, Mio gains a choker-like tattoo around her throat which takes the appearance of a love heart with two prongs extending around either side of her neck.

Mio normally displays a calm demeanor, preferring to remain quiet when around others; however, she is prone to outbursts when faced with inappropriate situations such as finding erotic magazines underneath Basara's bed or being left at the mercy of Maria's succubus curse. Despite this, she is also caring and affectionate, genuinely appreciate Basara's kind treatment and protection as well as feeling uncomfortable about having to deceive innocent people. Deep down she is afraid of her current situation and constantly being under threat, but when faced with danger she won't hesitate to face the challenge.

Originally, when trying to deceive Basara and his father, Mio displayed a personality very typical to that of teenage girl. While at home she acted like a normal sister towards Basara, waking him up in the mornings and referring to him as "big brother."

Maria Naruse

Spoiler ([Click to View](#)) Maria is Mio's sister and guardian. She will protect Mio no matter what.

She is a rather childish person and likes teasing people no matter how serious the situation is. Despite this, she can be dead serious as seen when she revealed her real identity to Basara.

Yuki Nonaka

Spoiler ([Click to View](#)) Yuki is a member of the Hero Clan who watches over Mio Naruse. She is also Basara's childhood friend.

Basara Toujou

Spoiler ([Click to View](#)) Toujou Basara is an ex-member of the Hero-clan. He lives with his two step sisters who are both Demons. Basara is determined no matter what to protect Naruse from anyone wanting to cause harm to her.

I've been wondering if I should start watching this. But since its not out - as far I can see - in 720p+ yet, I havn't been bothered.

I'll probably add it to my -to watch list though. Whenever it comes out in a decent quality ^-^

Nine - January 7, 2015, 3:59 pm

Watched the first episode and it wasn't so bad. Not really expecting anything from this anime.

Well from reading the manga I can suspect the typical harem ending. Also the "Onii-chan" parts. ;D

Eru Chitanda - January 7, 2015, 8:49 pm

Already watched the first epi and I think it's good hope it's not fucked up story until the end. Expecting for more. I love the gift of Maria to Basara :D Haha

Crya - January 7, 2015, 9:11 pm

Adding this to -to watch list though I am not a big fan of watching airing anime.

Seems a little like Shakugan No Shanna to me.

Bazalia - January 7, 2015, 10:59 pm

After seeing the first episode I'd have to say meh. Some of the parts felt crap like as soon as the guy went to get a bicycle random guys came to "assault" the girl and of course he saves her and she kinda starts to like him. Typical anime stuff with random echi coincidences as always. Though I might still watch a couple more episodes before I decide to drop it.

She doesn't start to like him there. Also the ecchi moments are made from the succubus.

Also I prefer reading the manga but since the anime is made I can finally cover some chapters maybe that haven't been translated.

Ah man I can't even do that. Either way I have been wanting to watch this when it's finished but I don't know.

Lyralei - February 1, 2015, 7:41 pm

This is actually pretty good, Kind of similar to Haratakou Maou-sama! but not crossing the border of High School DxD.

Followed.

Edit :

Nvm- its both xD. still pretty cool.

VYKTOR - February 1, 2015, 10:44 pm

I hope it's a good anime but I think it is a typical romance harem.

Anyway, I'll watch it while it's airing.

Of the four episodes uptil now it's pretty average.

I would rather just read the manga tbh. I thought the anime had potential but it really doesn't.. (Well that's just me)

Lol that bath scene though. I mean it's funny how she calls him "onii-chan" at the weirdest moments.

VYKTOR - February 5, 2015, 6:18 am

Jeez the last episode.

WHy do they show so much censored stuff??

THis is almost borderline hentai.

THis is almost borderline hentai. I don't really know. I mean in the manga there isn't as much censored shit in it. Most of it is filled with action.

Is the manga really good enough??

You know I mean I'll give it a try if it's interesting.

The anime seems cliches ecchi & action.

& I avoid mangas with ecchi theme.

I plan on watching this once it's finished airing. Looks pretty good :3

Proximity. - January 17, 2016, 12:51 pm

Just recently finished watching the series. I feel like they made it way more sexual then was necessary but other then that was a great series in my opinion.

aminems - March 2, 2016, 3:30 am

it is an adventure or horror anime?
