Read the manga and I absolutely love this. I can't wait for it.

•Lawliet• - January 7, 2015, 1:09 pm

I think I'll read the manga first. Many thanks for this.

Ang?I - January 8, 2015, 8:25 pm

Well I just finished episode 0 on CR. Is that supposed to be like the first episode or am I missing something? Either way, the first episode was absolutely hilarious and I hope the rest of the series will follow suit.

Also, kinda liking the reverse harem thing happening, wish more shows did that.

Looks interesting! Will be watching this when it releases.

I've actually spent several minutes staring at it, one just can't get enough of Kirino...

First episode was decent but it's like watching Inou-Battle over again and I'm not sure if I want that.

WHY IS NO ONE WATCHING THIS

It's hilarious and the mc is your average weeaboo just like you guys.

I am and starting to really enjoy it. I'm usually really annoyed by these types of anime (inou battle for example) and the first few episodes made me believe it was going to be just that, but i was wrong it's actually good.

Though probably just because main heroine is too damn cute.

She is though.

I just think the weeaboo tropes that the MC displays are hilarious.

Good episode, the ending scene was pretty cute.

I like the ending a lot more.

Esdese - February 20, 2015, 10:25 am

This seems like something I'd really enjoy watching! I don't like watching new series as they're airing so I'll wait for this to be completed before I start watching it.

If the blonde is the girlfriend, how can she ever be considered boring?

She is one of the zettai ryouiki deities.

Being within her presence is being within euphoria.

stevengms - February 26, 2015, 3:07 am

I watched the first episode, but haven't gotten the time to watch the other episodes. Based on the first episode I like all the characters they all have their own unique personalities.

Ang?I - February 26, 2015, 12:44 pm

Still my favorite show this season.

Spoiler [\(Click to View\)](#)I seriously doubt Eriri will leave Tomoya's circle for the other guys. I could see her doing it in spite of him though because I feel like she gets pissed off at Tomoya way too much.

This show needs to finish quicker. I want to marathon is so badly ;_;

EDIT: Fuck it. I'm going to go binge it right now. ttyl.

Programmargorp - *February 27, 2015, 2:37 am*

Eriri is trash, even trash new girl introduced in ep 7 is better.
Utaha master race.

Seriously though, if Kato was in any other series she would be best girl.

Aura - *June 27, 2016, 6:00 pm*

Not even 5 episodes in, and I'm already crying my life for not having a qt3.14 girlfriend like Kato ?

THAT FUCKING PICTURE AT THE END OF EPISODE 6 HAHAAHAHAHAHAHA.
