Thread: [Selling domain: www.HackForums.co - Cheap](#)

Random - January 7, 2015, 8:32 pm

This is on GoDaddy and can be transferred to any registrar or account.

Just bought this from Aaron. Looking to sell this as I don't have a good use for this.

Aarson said Omni didn't want it, so I bought it from him. If Omni wants it, he can have it.

C/O: \$0

BIN: \$100

BTC from all, pp from trusted.

Make me a decent offer and I'll accept

+Haze - January 7, 2015, 8:35 pm

I don't know what this C/O means, so therefore I'd like to bid \$1

Grim - January 7, 2015, 8:35 pm

i will bid \$2 for this please let me know if i am outbid

Herbo - January 7, 2015, 8:36 pm

Not sure what anyone would use this for.

Shit, ill bid \$3 for the shits and giggles.

Maryjaneeee - January 7, 2015, 8:43 pm

Is this even aloud ???? Selling a domain that's pretty much a copy of hackforums?

NoLongerActive - January 7, 2015, 8:45 pm

I'll bid \$5! Let me know if I'm outbid! <3

Trisomy 21 - January 8, 2015, 2:49 pm

If you have have it on namecheap i'll bid \$20

Evolute - January 9, 2015, 6:41 pm

This domain is going to get aids real quick. Why doesn't someone actually put a helpful use to it?

Karnaugh - January 11, 2015, 9:52 am

I'll bid 10\$ on it, namecheap or not.

unkn0wn© - January 11, 2015, 2:57 pm

ill make it 15\$! contact me if you want to sell!

Jason™ - January 12, 2015, 9:38 pm

I'll bid \$20 on this domain.

Please let me know if I am outbid.

unkn0wn© - January 13, 2015, 3:02 pm

ill make it 22\$:)

contact me if you want to sell

-Lily- - January 13, 2015, 3:04 pm

why not just make it redirect to HackForums.net anyways?

Now some skid's probably going to buy it and make his own version of HF that's really bad.

JavaProphet - January 14, 2015, 9:24 am

I'll bid \$25. Let me know/pm if outbid.

\$25 is too low

b?xxy - January 14, 2015, 6:43 pm

Don't let this fall in to the wrong hands.

VRUMM - January 14, 2015, 6:45 pm

I'll do \$40. I like .co, and i'll pay in btc.

Random - February 23, 2015, 10:52 am

Bringing this back up, this is still for sale looking for BTC only.

HitSweMan - February 23, 2015, 10:53 am

I bought a damn .co domain for \$0.99 I did not even bother testing HackForums.co xD

Damn Well.. Nice "find"

Please sell this only to a reputable member, it's just going to end up becoming a phishing site or something otherwise.
