About

Ewhore Goden is a dutch ewhoring group. In this group we have experienced and less experienced people. The whole idea behind it is to discuss with other Dutch ewhores and help eachother. The group isn't that serious and want to have fun while earning money. It'll be a small group of max 15 people, so no spam group with 2k messages a day.

Applicaton format:

Quote:Name?:

Age?:

How experienced are you in ewhoring (1= complete newb 10=200\$min./day autopilot)?:

Are you Dutch?:

Do you have Skype?:
